Estill County was represented for the first time at the 11 day State Fair in the "Pride of the Counties of the Commonwealth" exhibits. Promotional materials included the Railroad Festival, Mountain Mushroom Festival, KY agate, Estill Development Alliance, Irvine-Ravenna Woman's Club bicentennial coverlet, and the Estill Arts Council's Quilt Trail. A sampler of a quilt block and the notebook of the local quilt blocks caught the attention of many of the fairgoers. The exhibits allow counties to tell their story, revealing what is unique ranging from historic objects and crafts to local treasures. It is a great way to meet people and network to showcase their county. Approximately 60 counties participated in the "Pride of the Counties" exhibits which are sponsored by the Kentucky Farm Bureau.

Thank You

Mr. Rick Chaney, music teacher at West Irvine Elementary, recently expressed the deep appreciation of West Irvine Elementary for receiving donated computers from a former Estill County resident Jennie Duffy, the daughter of Nettie Marcum, custodian at the Estill County High School.

On behalf of West Irvine Elementary, we would like to personally thank Ms. Duffy for her generous donation of 100 computers to our school district, ensuring students at West Irvine Elementary have up-to-date computers to use every day
