## Richmond police charge Irvine woman w/burglary; then arrests Irvine man on robbery charge

Richmond Police went to Walmart twice last Wednesday to possibly make arrests on shoplifting charges. Instead two Irvine residents were charged with burglary and robbery in separate incidents.

RPD first went to Walmart around 1 p.m. to investigate an attempted theft.

Walmart employees told Richmond police officers that Shona R. Harrison, 36, was selecting merchandise from display shelves.

They added she took the merchandise directly to customer service and attempted to return the items to receive a refund.

RPD says that Harrison had previously been banned from Walmart's premises. They say because she entered the store to commit a theft after being banned, this resulted in the burglary charge against her.

She was charged with third degree burglary, a felony.

RPD received the second complaint with a shoplifting incident around 7 p.m.

Upon arrival, RPD was told that Farril L. Tipton, 33, attempted to leave Walmart without paying for \$15.74 in merchandise. A Walmart employee reportedly attempted to detain Tipton. Walmart says Tipton struck the employee in the face and fled on foot.

Walmart's loss prevention officers pursued Tipton and captured him near the Lowe's parking lot, according to Richmond Police reports.

Richmond police report finding two small baggies of marijuana and rolling papers during a search. Because Tipton allegedly struck an employee, he was charged with robbery first degree. He was also charged with possession of marijuana and drug paraphernalia.

## Arrest is made by state police after girlfriend is assaulted

State police are saying that a woman was assaulted during a domestic violence incident Saturday night.

Trooper Hall began investigating the assault after the alleged victim was taken to Marcum & Wallace Hospital.

A citation states that Morena Mills told the trooper her boyfriend assaulted her. It adds the boyfriend grabbed Mills by the hair and threw her to the ground.

The citation also states that boyfriend grabbed a deer skinning knife and cut off her hair. The boyfriend allegedly threatened to cut Mills with the knife and punched her in

the face with his fist.

Trooper Hall reported that Mills had visible injuries (contusions) on her body and pulled out, loose hair that had been cut off.

State police arrested Mills' boyfriend, Christopher Scott Riddell, 39, of 670 Substation Road, Irvine at his residence. Riddell was charged with assault second degree (domestic violence).

Riddell's bond has been set at \$10,000 cash. If released on bond, he is to have no contact with his girlfriend.

Court records say that Riddell was arrested while a case is pending against him.

## Estill man fled on foot from deputy

An Estill man has been charged with fleeing or evading police on foot, a felony.

Deputy Josh Rison said he was dispatched Wednesday afternoon to 40 V.C. Witt Road, Irvine because of a disturbance reported at that residence.

When he arrived, Rison said there was blood on the front porch. He announced that he was a police officer and entered the front door because of his immediate concern.

He said a man told him that no one was hurt. He said he could see the man who was talking was not injured.

Then Deputy Rison stated he heard a loud noise outside. He went outside and said he saw Daniel Perry Bowling running behind the house. Rison said he told Bowling

to stop and told him he was an officer of the law.

Rison said after Perry continued to run, he called for back-up because he was concerning Bowling may have a weapon.

After two units arrived for back-up, Bowling was reportedly found under a porch of a home next door.

Bowling, 42, is a resident of the home where the disturbance was reported. He was charged with fleeing or evading police, first degree (on foot). The charge is a Class D felony, punishable by one to five years in prison.

Bail for Bowling was set at \$650 cash.

Court records say that Bowling was arrested on a new charge while a case is pending.
