Electric safety

IT'S A GOOD IDEA...
FOR LINEMEN AND FOR YOU

Jackson Energy linemen respect the electric lines they work with and use the proper equipment when they're doing their jobs.

They know the dangers of live wires, and you need to be aware of them, too.

Stay away from downed power lines and think about safety when you're working with electricity around your home or business.

ELECTRIC SAFETY - IT'S NOT JUST FOR LINEMEN.
