

# LIHEAP Energy Assistance Program Begins November 12th

Kentucky River Foot-hills Development Council (KRFDC) will begin the "Subsidy" portion of the Low-Income Home Energy Assistance Program (LIHEAP) on Tuesday, November 12. LIHEAP provides financial assistance to income-eligible households with home heating costs through two programs: LIHEAP Subsidy (typically in November and December) and LIHEAP Crisis (typically January until the middle of March or until all funds are expended).

Applications will be taken Monday through Friday from 8 a.m. - 4 p.m. at the KRFDC Outreach Office located at 209 River Drive. The office will be closed from noon - 1 p.m.

Both homeowners and renters who are responsible for their heating bills and have low or fixed incomes are eligible.

Qualifying participants will receive an energy assistance benefit. Energy services include electric, gas, kerosene, propane or wood. Eligible participants do not need to have an unpaid energy bill or be out of fuel to receive energy assistance in the subsidy portion of this program. The benefit amount that each household receives will be based on its level of poverty and the type of fuel

used for heating. All eligible households will receive a benefit until LIHEAP funds are fully depleted. Benefits will be made payable to the household's primary or secondary heating fuel vendor.

LIHEAP is a statewide initiative sponsored by Community Action Kentucky in partnership with the Cabinet for Health and Family Services (CHFS). The U.S. Department for Health and Human Services appropriates funding to Kentucky through the CHFS, which contracts with Community Action Agencies across the state to receive LIHEAP applications and provide recipient benefits.

A household is considered to be eligible for energy assistance when the household meets the basic eligibility criteria. This criteria includes:

1. completion of an application;
2. is responsible for home energy costs, directly or as an undesignated portion of their rent;
3. have a combined household income, for the calendar month prior to the month of application, not in excess of 130% of the federal poverty level as listed in the Income Eligibility Guidelines;
4. live in Kentucky when the application is made

and apply in the county of residence; and

5. not have liquid resources in excess of \$2,000, or \$3,000 if at least one person in the household is 60 or older; and/or disabled except for households where a member has a catastrophic illness. The amount may be \$4,000 when the resources are being accessed for medical and living expenses.

**Applicants must bring the following information:**

- most recent heating bill, or verification that heating expenses are included in rent;
- metered utility bill (natural gas, electric, or water) as proof of address;
- Social Security cards, or Permanent Residence card (Green Card) for each member of household;
- proof of all household income from preceding month.

Applications will be taken in alphabetical order based on the first letter of the head of household's last name using the following schedule:

**November** 12-A, 13-B, 14-B, 15-C, 18-C, 19-D-E, 20-F, 21-G, 22-H, 25-H, 26-1-J.

**December** 2-K, 3-L, 4-M, 5-M, 6-N, 9-O-P-Q, 10-R, 11-S, 12-S, 13-T, 16-U-V-W, 17-X-Y-Z.

Applications will be taken

through December 19, 2013.

LIHEAP has established income guidelines to determine eligibility. For the 2013-2014 program year, the income guidelines are:

Household Size	
<b>Gross Monthly Income</b>	
1 \$1,245	5 \$2,987
2 \$1,681	6 \$3,423
3 \$2,116	7 \$3,858
4 \$2,552	8 \$4,294

**\*Add \$436 for each additional family member**

Individuals who are unable to apply for themselves may send an authorized individual to apply for them.

If this is the case, please contact the KRFDC office in advance. If you are sick or have the flu, please call the Outreach Office first to make other arrangements.

When the crisis component begins in January, a household shall be considered to be in a home heating crisis situation when the household meets the basic LIHEAP eligibility criteria and (1) the household is within four days of running out of fuel if bulk fuel (coal, fuel oil, propane, kerosene, or wood) is the heat source;

(2) the household has received a past due/disconnect notice if natural gas or electric is the heat source; or (3) the household's home heating costs are included as an undesignated portion of the rent, and the household has received an eviction notice for non-payment of rent from the landlord.

Interested energy customers can find out more how to apply for LIHEAP/heating assistance by contacting the Estill County Outreach Office at 723-4492.
