FINALLY... A BIPARTISAN SOLUTION TO HOLD THE GOVERNMENT TOGETHER (FOR A FEW MORE WEEKS)

Maudie's Naughties

Stickup

Late one night in Washington, D.C., a mugger wearing a ski mask jumps into the path of a well-dressed man and sticks a gun in his ribs.

"Give me your money," he demands.
Indignant, the affluent man replies, "You can't do this - I'm a United States Congressman!"

"In that case," replies the robber, "Give me MY money!"

Lost in the Park

A police car pulls up in front of Ma's house, and Pa gets out. The polite policeman tells her that this elderly gentleman says that he was lost in the park and couldn't find his way home.

"Pa", says Ma, "You've been going to that park for over 30 years! So how could you get lost?"

Leaning over close to Ma, so that the policeman can't hear, Pa whispers, "Lost? I wasn't lost! I was just too tired to walk home."

The Checkup

Pa goes in for a thorough check-up at a Lexington clinic. Arriving at the huge and somewhat confusing building, he gets an x-ray on the second floor and returns to the first floor for a blood test.

Afterwards, a nurse tells him, "Now, sir, you must go to the 3rd floor where you'll give them a urine sample, and when you're through with that you'll go up to the 4th floor where they'll need a sample of your stool. When all this is done, you can go home and wait for us to send you the results."

Completely annoyed, Pa says "That's hard to remember for a man of my age. Wouldn't it be simpler if I just leave you my underpants here? You can have all the samples you want."

Follow Up

Pa gets his results a week later and calls up the doctor to complain, "I've been to three other doctors since I read your report, and none of them agreed with your diagnosis."

The doctor calmly replies, "Just wait until the autopsy, then they'll see that I was right."

Halloween Ball

The former president is attending a masquerade Halloween Ball, and dances with a woman who is wearing a map of Texas for a costume. Suddenly she slaps him hard and stalks off the dance floor.

"What the heck happened?" asks the security chief who has witnessed the entire event.

"I'm not really sure," replies Bush, rubbing his red cheek. "When she asked me where in Texas I was from, I put my finger on Crawford to show her, and she let me have it."

Computer Hacker

Folks, we now have a computer hacker right here in our county. That's right! Police were called to her home last Wednesday night. It was Ma. That's right, Ma! She returns home from prayer meeting to find Pa in front of the computer chatting with women and looking at some of the pictures they had sent him. Ma was so upset she hacks that computer terminal into little pieces with a meat cleaver. She starts after Pa but the police held her off until Pa can run into the woods. They're still looking for him.

The Beggar

"My poor man," says the kind old lady to the pan handler, "It must be dreadful to be lame. But think how much worse it would be if you were blind."

"You got that right, lady," agrees the pan handler. "When I was blind, I was always getting counterfeit money."

Bored City Slicker

A young man from the city goes to visit his farmer uncle. For the first few days, the uncle shows him the usual things -- chickens, cows, crops, etc. After three days, however, it is obvious that the nephew is getting bored, and the uncle is running out of things to amuse him with.

Finally, the uncle has an idea. "Why don't you grab a gun, take the dogs, and go shooting?" This seems to cheer the nephew up, and with enthusiasm, off he goes, dogs in trail.

After a few hours, the nephew returns.
"How did you enjoy that?" asks the uncle.
"It was great!" exclaims the nephew. "Got any more dogs?"

Parrot on a Plane

On reaching his plane seat a man is surprised to see a parrot strapped in next to him. He asks the stewardess for a cup of coffee whereupon the parrot squawks, "And get me a Coke, you cow!"
The stewardess, flustered, brings back a Coke for the parrot and forgets the coffee.

While this omission is being pointed out to her, the parrot drains its glass and bawls "And get me another Coke dog face!" Quite upset, the girl comes back shaking but with another Coke and still no coffee.

Unaccustomed to such slackness the man tries the parrot's approach. "I've asked you twice for a coffee! Go and get it now, you old goat!"

In the next moment both he and the parrot have been wrenched up and thrown out of the emergency exit by two burly stewards. Plunging downwards the parrot turns to him and says, "For someone who can't fly, you've got guts!"
