Wiseman is a fuels hydrants supervisor assigned to the 39th Air Base Wing at Incirlik Air Base, Turkey. The staff sergeant has served in the military for six years.

The Estill County Middle School Youth Services Center received a truck load of toys from the Santa Project. The Santa Project is a toy collection drive in the Geneva, Illinois area sponsored annually by the 'A Lasting World, Inc.' agency. On October 27th the organization delivered a truck load of toys totaling over 2200 toys to the Estill County Middle School. These toys will be distributed among the Family Resource and Youth Services Centers in the county and will be given to children and families who request assistance this Christmas Season.

It didn't matter if Ale-8s were free to Trick or Treaters, many of the younger children shied away from this booth which had loud music and smoke.
