## West Irvine Gets \$4,000 Grant

West Irvine Elementary recently received \$4,000 from Fuel Up to Play 60. Fuel Up to Play 60 encourages students to eat healthy and be physically active for at least 60 minutes every day. Fuel Up to Play 60 is nationally sponsored by the NFL and the National Dairy Council.

Jodi Sims, Physical Education Teacher, and Sara Stringfield, Family Resource Center Coordinator, collaborated together and completed the grant application in Novem-

ber 2013. West Irvine Elementary is now considered a Fuel Up to Play 60 Touchdown school and can now fund new nutritional programs and physical activity items for each classroom to use at recess to increase the awareness of the Fuel Up To Play 60 goals.

West Irvine Elementary is honored to have the opportunity to provide educational programs and activities for our students due to the funding received by Fuel Up to Play 60!

Pictured above are Sims and Stringfield receiving the check at the student kick-off event - Milk Mustache Day! On Friday, January 31 students at West Irvine Elementary participated by having their picture taken with a Milk Mustache and received a free milk, provided by Prairie Farms, as a healthy afternoon snack. Melinda Turner, National Dairy Council and FUTP 60 Representative, provided students an interactive lesson about the importance of eating dairy products.
