Maudie's Naughties

Honest Is The Best Policy

A lady drops her handbag in the bustle of holiday shopping. An honest, little boy notices her drop the handbag, so he picks it up and returns it to her. The lady looks into her handbag and commented, "Hmm . . . That's funny. When I lost my bag there was a \$20 bill in it. Now there are twenty \$1 bills."

The boy quickly replies, "That's right, lady. The last time I found a purse, the owner didn't have any change for a reward."

Loafing On The Store Porch

A stranger stops in to loaf around at Needmore Store and is sitting on the porch with Junior and Howard Green. "Let's talk," says the stranger. "I've heard there's some healthy conversation that goes on here on this porch."

Junior turns to the stranger and says, "What is that you would like to talk about?"

"Oh, I don't know," said the stranger. "How about nuclear power?"

"OK," said Junior. "That could be an interesting topic. But let me ask you a question first. 'A horse, a cow, and a deer all eat grass. The same stuff. Yet a deer excretes little pellets, while a cow turns out a flat patty, and a horse produces clumps of dried grass.' Why do you suppose that is?"

"Well," says the stranger. "I have no idea."

"Well, then," said Junior, "How is it that you feel qualified to discuss nuclear power when you don't know crap?"

Too Much To Drink

Mitsy and Barbie have too much to drink at the bar and cause problems, so the owner has to call the law. They burst out the door running as they hear the sirens of cop cars coming closer. The two dive into two separate bushes hoping they won't get caught. Soon, the cop cars stop near the bushes and the two girls are hearing foot steps and grow more nervous. They can't find Barbie, but a cop grabs Mitsy and yells, "Busted."

As he drags the her off to the car, Mitsy looks back at a bush and says, "Come on Barbie!!!!!! They got us!"

Losing A Pastor

The pastor shocks the congregation when he announces that he was resigning from the church and moving to a drier climate. After the service, a very distraught lady comes to the pastor with tears in her eyes, "Oh, Pastor Bob, we are going to miss you so much. We don't want you to leave!"

The kind hearted pastor pats her hand and says "Now, now, Carolyn, don't carry on. The pastor who takes my place might be even better than me."

"Yeah," she says, with a tone of disappointment in her voice, "That's what they said the last time too . . ."

Dog Gone It

A man walks into the office of the eminent psychiatrist Dr. Von Bernuth, and sits down to explain his problem. "Doctor, doctor!" he starts.

"No need to repeat yourself, my good man," replies the doctor. "One 'doctor' is enough."

"Yes, well, you see, I've got this problem," the man continues. "I keep hallucinating that I'm a dog. A large, white, hairy Pyrenees mountain dog. It's crazy. I don't know what to do!"

"A common canine complex," says the doctor soothingly. "Come over here and lie down on the couch."

"Oh no, Doctor. I'm not allowed up on the furniture."

New Driver

A young man has just received his brand new drivers license. To celebrate, the whole family troops out to the driveway and climbs into the car for his inaugural drive. Dad immediately heads to the back seat, directly behind the newly minted driver.

"I'll bet you're back there to get a change of scenery after all those months of sitting in the front passenger seat teaching me how to drive," says the beaming boy to his 'old man.'

"Nope," comes dad's reply, "I'm gonna sit back here and kick the back of your seat while you drive, just like you've been doing to me for sixteen years."

Efficiency Expert

An efficiency expert concludes his lecture with a note of caution. "You don't want to try these techniques at home."

"Why not?" asks somebody from the audience.

"I watched my wife's routine at breakfast for years," the expert explains. "She made lots of trips between the refrigerator, stove, table and cabinets, often carrying a single item at a time. One day I told her, 'Hon, why don't you try carrying several things at once?'"

"Did it save time?" the person in the audience asks.

"Actually, yes," replies the expert. "It used to take her 20 minutes to make breakfast. Now I do it in seven."
