# ECMS Science Olympiad Team Places 11th

The Estill County Middle School Science Olympiad team competed at state level in Bowling Green Sunday, April 12, 2014. The team got 11th place out of 25 teams.

The top ten teams came from three large schools which had multiple teams in the event. Thus, Estill was actually the fourth place school in the entire state.

Those who won medals at the competition were as follows: Caleb Stickney and Hunter Smith got first in Rocks and Minerals, first in Solar System, second in Meteorology, and third in Road Scholar. Stephen Muncy and Josiah Miller got third in Robo-Cross.

All the other team members also competed strongly to secure the good rank-

ing. We commend them for all the hard work and long hours they put into their events.

Science Olympiad is designed to motivate an interest in science and help the students gain scientific knowledge and perhaps to pursue careers in science and technology.

Thanks to all those who supported the team this year.

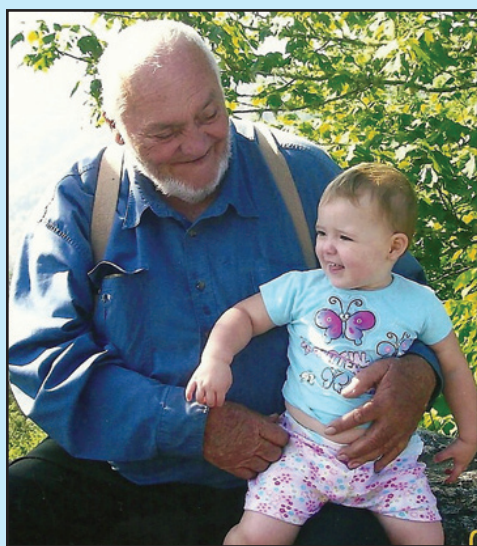

Estill County Middle School Science Olympiad team enjoyed a tour of the Hidden River Cave and American Cave Museum in Horse Cave. If I could choose from  
All the grandpas in the world,  
There's no doubt,  
I would still choose you.  
Your eyes that shine,  
With a touch of mischief;  
Your laugh that always  
Makes me smile . . .  
Your hands that are ready  
To reach out to me;  
Your heart that's always big enough,  
To welcome me . . .  
The time you spend with me,  
The stories you share with me . . .  
If I could choose from  
All the grandpas in the world,  
There's no doubt,  
I would still choose you.

*I miss you, Papaw.  
Love always, "Your Annie"*

### Hiram Stamper Loving Memories of My Very Special Dad on Your Birthday

My heart still aches in sadness,  
My silent tears still flow;  
For what it meant to lose you,  
No one will ever know.  
Although you can't be here with me,  
We're truly not apart;  
Until the final breath I take,  
You'll be living in my heart.  
Dearest Dad, to hear your voice,  
And see your smile;  
And just to sit and talk with you,  
Would be my dearest wish today,  
On this your birthday.

*Dad, thinking of you today and always. We love you!*
