

24th Mountain Mushroom Festival

Over 300 people ran or walked Saturday morning during the Fungus 5K, which may be a record. New this year was a 2K race for youth, and teams also participated.

Tom Bonny and Rebecca Werner presented the first place medal in the women's division to Anna Kiser, 14. Her time was 23:35

The new mascot (morel) was introduced at the festival. He gets hugs from two young ladies. A contest is forthcoming to name the mascot.

If It's Not Broken, Don't Fix It!

Earl Young Jr.

Magistrate District #2

Four years ago I asked the voters of District #2 for your support in electing me to serve as your magistrate. I spoke of my nearly 50 years citizenship of Estill County and of my 20 years experience working on the roadways of our county. My promise to you was that if you elected me as your magistrate, I would put this experience to work for you. After serving you nearly four years, I can report to you that I have kept my promise.

In addition to my previous experience, serving as your magistrate, I have received 170 hours training to help me serve you better. I have answered your calls, and I have listed my phone number. I have made myself available to all the people in my District.

I have worked well with the fiscal court to get the job done and to make the best use of the people's tax money. I have given the time needed to do a good job for District #2.

I have kept my promise to the voters and have enjoyed being your magistrate. With your help, I would like to keep my job and continue serving as your Magistrate. Every four years, the voters in District #2 have an opportunity to fix things. Sometimes things need fixing and sometimes the best policy is, "If it's not broken, don't fix it!"

Thank you for allowing me to be your Magistrate, and I look forward to continuing my service to you, the voters of District #2. Pull lever #2 to re-elect Earl Young Jr.
