

Estill County High School Senior Prom 2014 -- Dancing Like The Stars

My name is Gary Powell and I am running for County Judge Executive. My family and I have lived in Estill County all of our lives. I have twenty years of industrial background and have two companies presently in Richmond. One of these companies will do over a million in sales this year.

With the experience that I have, I believe I can be an asset to Estill County. Due to license and tax rates, you can run a business in surrounding counties for a lot less money. Currently our County offers no incentive to have a business here. I am looking to change that, as one of my main goals as County Judge Executive is to work hard to bring back jobs to Estill County. Also, I will treat everyone equal and do what is best for the county. We are asking for your help on May 20th to give Estill County a new start and a new beginning.

Republican Candidate

Magistrate District #2

Phone 726-0064

My name is Gerry Flannery, and I would like to serve as Magistrate for District #2. Before retiring four months ago, I worked for Jackson Energy the past 40 years. I feel blessed that I had the opportunity to meet and serve thousands of people of our great county. As a fiscal conservative and a resident of District #2, I would spend every tax dollar wisely and work to bring growth to the county. If elected, I will be out talking to people about their needs and checking the roads. I feel very strongly about public safety and will support all departments that help keep our people safe. I will work hard for the people of District #2 and Estill County. I welcome your feedback and suggestions; so, please, feel free to call me at 726-0064.

On May 20th, I ask that you pull Lever #3.
