- Bible Trivia Answers are at the bottom of Page 10**

Our God is a great and gracious God. We see His greatness when we look into the spacious skies at night and see stars that cannot be counted and know that there are galaxies beyond galaxies. We see His greatness when His Son walked among the sick and healed them, the hungry and fed them, the grieving and comforted them, the distraught and encouraged them.

We see His grace when we look at Jesus on the cross, His resurrection from the tomb when He defeated death, His offer of salvation, His promise of eternal life with Him and His invitation to call on Him "whenever" for "whatever" as long as it is in His name.

Dale said that God "rescued him because

He delighted in him." Delighted here means "to be mindful of, to be attentive to, to keep, to protect, to have pleasure in..." Imagine the great value that God placed on David. He had a special place in God's heart and was delivered from God's wrath and his enemies.

In Christ we have the same deliverance. He takes God's wrath from us in the salvation He provides for us and He also rescues us from the power of Satan who would defeat us. He is with us now just as He was with David three thousand years ago.

Christ living in us gives us His presence and power. When we call upon Him and trust in Him, we can be assured that He "is attentive to us, will keep us, protect us and take great pleasure in us" because He delights in us just as He did David.
