The 12-and-under Estill County All-Stars baseball team won another tournament this past weekend, in Hazard. They beat a very good West Virginia team 11-9 and then beat Hazard 13-5. In the semi-finals they beat the West Virginia team again this time by a score of 17-4. They then beat Clark County in the finals 7-4. So far this Estill team is undefeated. No one has beat them yet. Congratulations to Rocky Hix who hit three home runs over the fence during the tournament. One of those home runs was in the final game in the last inning. The team is coached by Ryan Powell. Assistant coaches are John and Stevie Clem.

The Champion of the 2014 Estill County Church League Volleyball is Ravenna Church of God for the girls and the guys. Shown here with their trophies:
