Leah Horn, right, is the "Silly Detective" and Liz Walters is her secretary.

Daisy Tuttle, Estill County agent with Kentucky Farm Bureau Mutual Insurance Company was presented her 60-year service pin on Thursday, July 10, 2014 at the Marriott in Lexington, Kentucky. When asked about being an agent for 60 years, Daisy replied, "It seems like only yesterday when I started." Pictured above are Daisy Tuttle (seated), and standing, left to right: Lynn Parson, Mike Tuttle and Ryan Midden.

The Family Resource and Youth Service Centers of Estill County partnered with the Housing Authority of Irvine to provide summer programming for student residents at the Appalachian Summer Camp. The Appalachian Summer Camp was sponsored by the Estill/Powell KYASAP Board, Jackson Energy's Operation Round-Up Grant and the Estill Arts Council. These community sponsors provided students the opportunity to learn from skilled instructors, as well as receive summer reading books and educational materials to increase the awareness of summer learning. The Estill County Bookmobile joined the Appalachian Summer Camp by providing students the opportunity to learn about the Estill County Public Library's Summer Reading Activities and check-out books from the Bookmobile. A special thanks to the Estill County 4-H Office for teaching the students about summer physical fitness activities for the entire family to enjoy! The Family Resource and Youth Service Centers of Estill County want to thank all of the volunteers and community partners who made the Appalachian Summer Camp a huge success!
