Maudie's Naughties

The Three Bears

Mama Bear, Papa Bear and Baby Bear are sitting down at Goldie's Restaurant finishing up their meal when the waiter presents them with their check. Papa Bear tells the waiter he has no money to pay for the meal. The waiter goes to the kitchen and returns to tell them, "Goldie says everybody has to pay. If you can't pay for your meal, then you must clean dishes."

A little later Mama, Papa and Baby Bear are in the kitchen cleaning dishes. "How is it, Papa?" asks Mama Bear. "Not bad," says Papa Bear. "If I had known we could clean dishes, we wouldn't have tried to mooch a meal."

Charity Starts At Church

After a church service, a little boy told the Pastor, "When I grow up, I'm going to give you some money."

"Well, thank you," the pastor replies. "That would be very nice of you." He smiles, "But why?"

"My daddy says you're the poorest preacher we've ever had."

Mowing the Grass

The preacher goes out to mow his lawn, but has trouble getting the mower started. A young boy on a bicycle stops by and watches for a couple of minutes. He asks, "What's wrong?"

The pastor answers, "I can't get this mower started. Do you know how?"

The boy replies, "Yep."

"Well, how do you do it? Tell me!" the preacher asks.

The kid replies, "You have to cuss it."

The preacher rises up indignantly. "Now you listen here. I am a preacher and if I ever did cuss, not saying I have, I've forgotten how to do it after all these years."

With a wise look on his face well beyond his years, the kid says, "Preacher, you keep on pulling that rope and it'll all come back to ya."

Art School

Junior always thought he had some artistic talent so he enrolls in a community education art class. At the first class meeting, the instructor assigns the students to draw a picture of one of their family members for their first grade.

The next week, Junior submits a portrait of Pa, but when he gets the picture back, the instructor has given him a C minus. Junior thinks that he deserves better than that so he approaches the art teacher to ask why his grade is so low.

"The proportions are all incorrect," replies the teacher. "The head is all wrong, the feet are too big, and it's not possible for anyone to be that ugly."

The next week Junior brings Pa in to talk to the instructor about the grade. The instructor takes one look at Pa and says, "Okay, an A minus!"

One Dollar Per Point

A professor is giving a big test to his students. He hands out all of the tests and goes back to his desk to wait. Once the test is over, the students all hand the tests back in.

As he is sorting them, the professor notices that one of the students has attached a \$100 bill to his test with a note saying "One dollar per point."

The next class the professor hands the tests back out. One student got back his test and \$64 change.

Interesting

During the final exam, the professor notices that one student keeps looking at his hand before writing down an answer on his test. This goes on throughout the entire exam, leaving the professor no other choice than to interrogate the student's test-taking habit.

"Young man," the professor begins. "Is there something interesting written on your palm?"

"Not at all," the student replies. "It's all pretty boring."

Is the Bible True?

There once is a very religious lady that has to do a lot of traveling for her business, so she does a lot of flying. Flying makes her very--very nervous, so she always takes her Bible along with her to read as it helps relax her on the long flights.

One time, she is sitting next to a man. When he sees her pull out her Bible, he gives a little chuckle and smirk and goes back to what he is doing.

After awhile, he turns to her and asks, "You don't really believe all that stuff in there do you?"

The lady replies, "Of course I do. It is the Bible."

He says, "Well, what about the whale story?"

She replies, "Oh, Jonah. Yes, I believe that, it is in the Bible."

He asks, "Well, how did he survive inside the whale?"

The lady says, "Well, I don't really know. I guess when I get to heaven, I will ask him."

"What if he isn't in heaven?" the man asks sarcastically.

"Then you can ask him," replies the lady.
