

## Wheels on the bus go round and round!

The buses are rolling...and we need your help! Now that school has started, we need parents, grandparents, and guardians to help at the bus stops. It is very important that students are prepared to load and unload the bus on time. The morning riders should be at the bus stop ready to load when the bus arrives. The first student in the district is picked up at approximately 6:10 am. Drop off at destination school is just before 8:00 am. This is an hour and forty minute ride to school! Delays waiting for students to come out only lengthen the ride.

The afternoon (pm) route just reverses the morning route. The first student to get on in the morning is the last to get off in the afternoon. This is a problem area because some students (mainly preschool through elementary) have parents/guardians that are late or no shows at the bus stop locations. Bus drivers have to hold these students on the bus, radio the school, and wait on school staff to find someone to come pick up students. If no one shows, that student must be returned to school, waiting for someone to pick up. This process is time consuming. Therefore, the students that get off last are penalized the most by other students who are having

trouble at the bus stop.

Thankfully, this is a problem that can be easily fixed. First, parents/guardians can help by making a better effort at being "timely" at the bus stop. After the first week, each parent/guardian should have a timeframe of arrival for afternoon stops. Secondly, parents/guardians should communicate with schools if they aren't going to be at the bus stop. After 2:00 pm on the day of is not a good time to communicate these problems. It is too late to plan and very hectic in the office at that time of the day. A note the day of would suffice or a call earlier in the day.

Overall the bus drivers and support staff do an excellent job in transporting our students to and from school. They deserve our commendation and full support. With a little extra effort at the bus stops, we can make their jobs easier and shorten the time our students spend on buses.

Thanks for your attention to this matter.

## Morehead Dean's List

The Morehead State University Dean's List for the 2014 Spring Semester includes the following local students:

Mary E Morris of Irvine, KY (40336)

Brenda Plowman of Irvine, KY (40336)

Kristen C Whitaker of Waco, KY (40385)

To be eligible for Dean's List, a student must carry a semester GPA of 3.5 or better and take a minimum of 12 letter-graded hours (four courses).

At Morehead State University, you will find "much more" than you might imagine. We are much more than college classes...much more engaged...much more personal. We provide a safe campus environment that is much more welcoming and student-friendly. We deliver a quality, affordable education in a student-focused learning environment. Our students thrive in small classes taught by dedicated faculty and staff committed to student success. We are much more than a regional partner... and much more than an alma mater. We are committed to enriching the lives of those we serve. At MSU, we aspire to be the best public regional university in the South. Visit [www.moreheadstate.edu/aspire](http://www.moreheadstate.edu/aspire) to learn "much more" about MSU's mission, vision, and values.

MSU is an affirmative action, equal opportunity, educational institution.
