

# Engineers Pick Up Win 49-7 Over Jackson County

The Estill County football Engineers got back on the winning track on Friday night with a big win over the Jackson County Generals in McKee, 49-7.

For the third week in a row, Estill spotted the opponent a touchdown to start the game, but unlike last week, did not have to play the officials and came back to win.

Jackson County was very effective in the first quarter and scored on Estill to lead 7-0, but the Generals has poor kicking on 4th downs and had to go for it even on their end of the field. They got lucky a couple of times early but had to give Estill good field position for the rest of the game.

Despite being shut out in the first quarter, the Engineers came back in the second and scored three touchdowns.

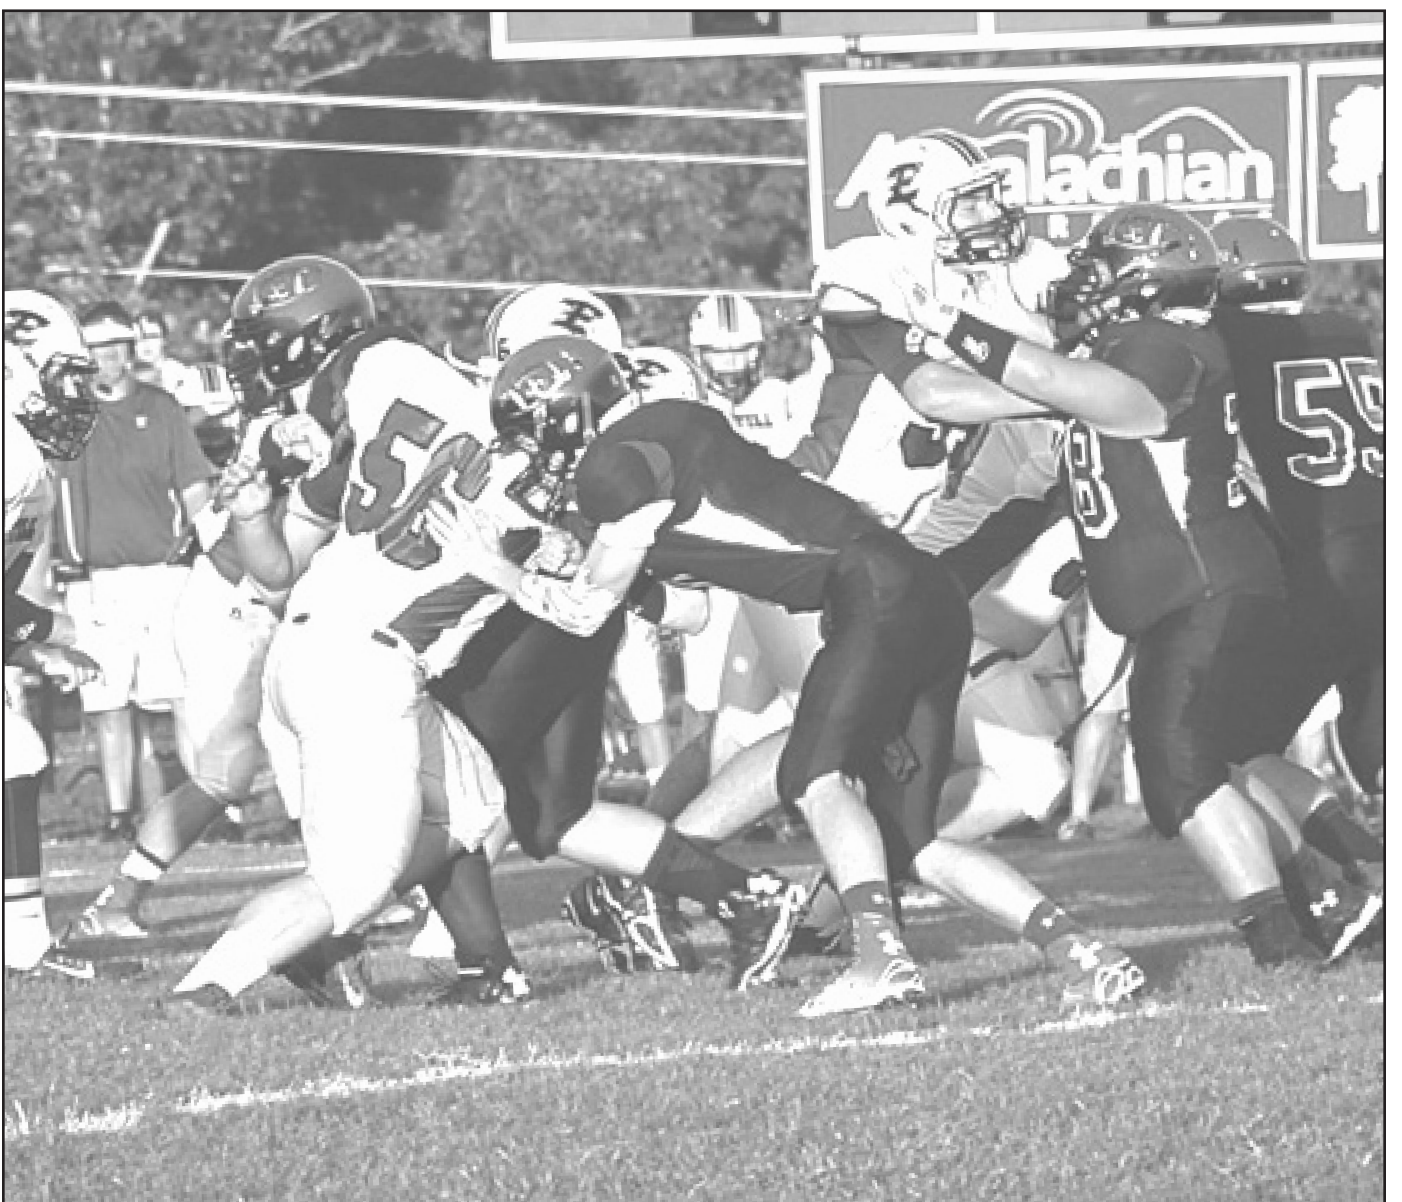

Michael Abner got two touchdowns on 55 yards rushing, quarterback Trevor Jones kept the ball for 48 yards rushing and two TD's and Dylan Spivey had 51 yards for 2 TD's.

But the "big gun" for Estill again was Chipper Hitchcock who rushed for 112 yards and two touchdowns. He also recovered a Jackson County fumble.

Jones was the lead tackler with 10 while Kordel Day and Spivey had 8 each. Sean Davis had six tackles and River Kelley had six. Taylor Tate and Logan Edmonson had five each.

Estill opens at home this coming Friday night against Magoffin County. They are 2-1 as are the Engineers.

Magoffin won 47-28 over South Floyd and 27-8 over Allen Central but lost 27-18 to the Powell County Pirates.

The Estill County defense had to work really hard in the first quarter against the Jackson County Generals but had a much easier time in the rest of the game as they shut out the Generals for the last three quarters.
