The Estill 8U All-Stars finished off an EXCELLENT season with another 2nd Place finish in the Danville "Commonwealth Sports Association Softball Tournament" this past weekend.

These girls have played with heart as a "true all-star team" while competing against big travel teams.

The 1st place team from this tournament had pulled girls from Fayette, Jessamine, Scott and Montgomery Counties and still only beat our girls by one run in the final inning!

These girls have proven how tough Estill athletes are! CONGRATULATIONS, girls!

Birding BITS BY Cindy Brook

Vacation Birds
People often ask me if birds will come back to their yards if they stop feeding them when they go on vacation. First, I tell them birds are not dependent on us for food and do quite nicely using their God-given instincts. And second, of course they'll come back!

In Loving Memory of Our Daddy
Basslee Richardson
died on September 26, 2013, at the age of 93

The Broken Chain

We did not know that day, that God would call you away. In life I've loved you dearly; In death I'll do the same. But you didn't go alone, you took a piece of all our hearts with you. And you left us with a lifetime of cherished memories. And though we can't see you, you're always by our side. Your love is still our guide. Our family chain was broken, our lives will never be the same. But as God calls us one by one, the chain will link again. You left me peaceful memories, I will love and cherish 'till the day I die. It's been a year since you closed your eyes, went to sleep, took your last breath and your spirit left. You didn't go alone, 'cause each time someone dies that we love, a piece of us goes with them. God took one of the best when he took my Dad. We were truly blessed to have all the years we had with you, Dad. I wouldn't change one thing about our Father. I loved and respected you so much. I miss all the laughter and joy, the old stories, he talked about what he had been through and saw, and lived and done; most of all, I miss that smile. Those old stories of olden times when he was growing up; the things he loved to talk about. You don't know how much you love someone, or will miss them, until they're gone. To know Dad was to love him. You sure are missed by many. This picture of my Dad was the last Christmas I spent with him at the nursing home, December, 2013. I took it of him. Miss you every day.

Love, your daughter,
Frieda Holliman.
