

# Former Estill Countian Releases Another CD

A former Estill County man who now lives in South Carolina, has just released another CD with a compilation of songs involving himself and several others.

Kenneth Baldwin of Columbia, South Carolina; once lived in Estill County. He is the son of Lee and Synnove "Cindy" Baldwin. She moved from Norway at the age of 19 to Madison, Wisconsin. She and Lee married in 1952 and lived throughout the United States until he retired from the Air Force and moved to Ravenna in 1970 where Kenneth Baldwin graduated from the "then new" Estill County High School in 1971. A sister of his, Debbie Sparks, still lives here and is a beautician at her shop, Shear Creations, on Broadway in Irvine. Other

sisters are Tina and Eileen who both live in Wisconsin and Terri who lives in Minneapolis.

The newest CD by Baldwin and Jerry Williams is called Ken & Jerry's Fourteen Original Flavors "A Dreamer's Intuition," and contains 14 songs from unrecorded works that span over 20 years. Collaborators on the CD are Baldwin's son Logan, David Wilson, Igor Agafonov and Alice Burton. Ken and Jerry say the songs on this CD "are the ones selected that felt right to get recorded for this particular project."

Four instrumentals are included with one by Logan Baldwin and a composition contribution by Russian born Agafonov. Kenneth Baldwin says, "Both of them are excellent."

Among the play list

of the CD is "All Said & Done," "Dancing on Thin Ice," "Heaven on 43rd Street," and eleven others.

Baldwin says none of the songs were recorded in unison under the same roof. Logan Baldwin lives in Brooklyn, New York and recorded all the percussion there.

Wilson drove in from Springfield, Missouri to Hodgenville, Kentucky, for a marathon weekend recording session on 13 songs. Burton, who lives in Bardstown, did her hammered tracks at Hodgenville also, but at a different time. Igor's tracks were done at Kenneth's home in South Carolina.

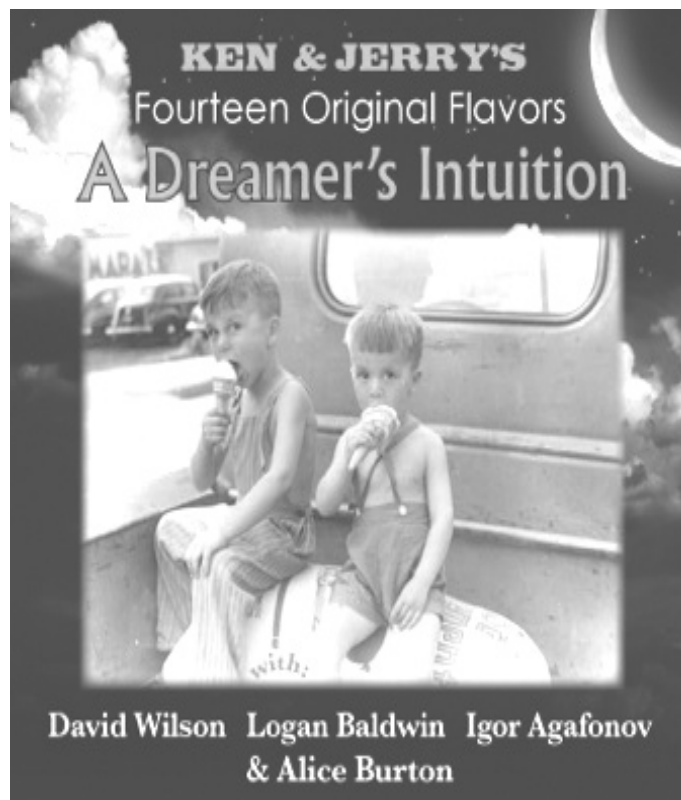

This is Ken and Jerry's fourth project. Their list includes 1st - Bones of A Saint (2006) 2nd - Strings and Bows (2010) 3rd -

Hardtack & Saddlesores (2011) 4th - A Dreamer's Intuition (2014). Some of these may still be available.

Copies of the newest CD, "A Dreamer's Intuition," are available locally from Debbie Sparks at Shear Creations, located at 518 Broadway in Irvine. Call (606) 723-3058.

Ken says, of he and Jerry, "Our great friendship and musical ties found us joined at the hip early on, yet always with some location distances involved over the years . . . but today's technology has made that a non-issue. We each have our own musical and technical strengths/weaknesses to play off of . . . but we're still on the same sheet of life's music."

Their next project is already titled, "Two Mild and Lazy Guys".

Kenneth Baldwin and Jerry Williams release another CD, "A Dreamer's Intuition," a compilation of 14 previously unrecorded songs.

- I have actually drafted all the ordinances and regulations for Estill County during the last eight years.
