

Hospice 5K Color Walk/Run

Brittany Puckett, Cynthia Townsend, and Krystle Morefield, employees of the Children's Clinic, participated in the 5K Walk/Run.

An estimated 100 people participated in Hospice's first 5K Color/Walk Run on Saturday. More had pre-registered but did not show up because of the weather. At the end, the walkers and runners gathered on Broadway to spread a little more color around and dance.

Lindsey Hill and her mom, Sherrell, dressed alike for the 5K. Above, they are walking through a shower of color just past the finish line. There were at least four different colors sprinkled on the group.

Larry STEWART For Jailer

I would appreciate your vote on November 4th
