HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

This North American native is particularly abundant in the Appalachian Mountains, growing in moist, shaded sites in forests and clearings. With its leaves almost gone, the witch hazel comes into glorious bloom in late October to early November. Its fragrant yellow flowers are often the only sign of color in the woods. Early European settlers observed Native Americans using a forked branch of this plant to "dowse" for water. - Brenda Weaver

MARK ROSE

I have really enjoyed my current term as State Representative. I have gotten to meet and talk with many of you, and your ideas and concerns keep me pushing forward. I will continue to support cutting taxes, developing and improving our roads, creating and keeping jobs in our communities, and to work with all parties to ensure the best solutions. I will continue to be a conservative voice for our district.

I appreciate all the support I have received, and I am asking for your continued support.

Thank you,

Toby
