

Historical Society Visits Local Farm

The Estill County Historical Society visited the Rodney Snowden Farm at Spout Springs for the third time. Besides showing how his grist meal works and passing out samples of corn meal, Mr. Snowden entertained everyone by showing how his dog, "Pup," could round up the chickens into the chicken house.

Mr. Snowden also showed his new greenhouse and his abundant crop of fall vegetables growing in his garden. He also had a fig tree with figs growing on it. Everyone enjoyed seeing the sheep again plus all of his collectables. Mrs. Snowden always has tasty refreshments in the cabin. She is also a fantastic artist.

Larry STEWART For Jailer

My name is Larry Stewart, and I am a candidate for Estill County Jailer.

I have been a resident of Estill County for 28 years. During those years I have been owner and operator of several local businesses; and, for the last eleven years, have been employed by the Irvine Municipal Utilities as a Water Treatment Plant Operator. I am a member of River Drive Christian Church as well as a current member and past president of the Irvine-Ravenna Kiwanis Club. In the past, I served for six years as Deputy Jailer and have served as a member of the Estill County Drug Court Review Board as well as the State Police Personnel Board.

Four years ago, the people of Estill County showed me a lot of support; because of that support and the encouragement of many of you, I am again asking for your vote.

Thank You,
Larry Stewart

Keep
Gary Freeman
as your
Estill County Sheriff

A sheriff's job takes a lot of hard work and dedication to carry out the duties mandated by our laws.

These responsibilities include:

- Transporting prisoners to and from court
- Providing security for the court system
- Collecting taxes and keeping detailed records
- Inspecting vehicles
- Answering 911 calls at all hours of the day and night
- Investigating burglaries
- Collaborating with other law enforcement agencies as needed
- Serving court ordered papers
- Processing and maintaining records for concealed deadly weapons permits, and
- Maintaining the paperwork for the above duties

I am proud of the job my staff and I have done over the years. My friendly, well trained, and trustworthy staff has never had a problem with state audits. My deputies must meet the high standards required by KRS regulations and ECU's criminal justice program. I have made it a priority to treat people with respect and use a commonsense approach in carrying out my duties as your sheriff.

I am asking for your support and vote on Nov. 4, to keep a trustworthy and well-respected sheriff's department in Estill Co.

Thank You, Gary Freeman
