Always remember one very important thing in the car business, any car dealer will do their best to sell you a vehicle, but what will they do for you after the sale, in case you have a problem? Bunt Gross is on the job 6 days a week to sell you a car, truck, or van that best suits your need, and most importantly, will take care of any problem you might have after the sale. Think very seriously before you spend your hard-earned money anywhere else. We have always taken care of our customers after the sale.

<u>Be Very Careful when buying a car, truck, or van. Don't buy a vehicle from any dealer that doesn't have a mechanical shop to back up the warranty and take care of your vehicle after the warranty is out. Think seriously!</u>
