## Maudie's Naughties

### Needing Company

Howard Green and Junior decide they will take an off-campus psychology course being offered in town. The teacher starts her class by saying, "Everyone who thinks you're stupid, stand up!"

After a few seconds, Howard and Junior stand up. "So," the teacher asks, "Do you guys think you're stupid?" "No, ma'am," replies Junior. "We just hated to see you standing there all by yourself!"

### Riding The Ferry

Howard and Junior have been to Lexington in Pa's old pickup and decide to take the scenic route home by crossing the river over the Valley View Ferry. But just as they get to the river they see the ferry is several feet away from the dock. "Oh, shucks," says Howard. "We've done missed it, and we'll be late for supper."

"Not yet," says Junior. "Hang on and watch this!" He guns the engine of Pa's pickup and shoots off the dock, making a perfect landing on the deck of the ferry.

The ferry operator comes running over, and Junior proudly says, "How did you like that jump, buddy?"

"That was great," says the operator. "But why didn't you just wait? We were pulling in!"

### Words of Wisdom

Pa says, "Any time you see a young man open a car door for his girlfriend, either the car is new or the girlfriend is."

### Drunk Again

After a trip to the bootleggers, Slim is going stumbling home up Needmore Road with one foot in the road and one foot in the ditch when he meets Sheriff Rocky headed back to town. Rocky pulls up and says, "I've got to take you in, pal. You're obviously drunk."

Slim asks, "Officer, are ya absolutely sure I'm drunk?" "Yeah, buddy, I'm sure," says Rocky. "Let's go." Breathing a sigh of relief, Slim says, "Thank goodness, I thought I was crippled."

### New Fashion Sense

Pa and Farmer Green are leaning over the fence talking one day when Pa notices that Green is wearing an earring. Pa knows Green to be a normally conservative fellow, and is curious about his sudden change in "fashion sense."

"I just noticed you were wearing an earring," says Pa. How long have been wearing one?"

"Oh, just a couple of weeks," replies Green. "Ever since my wife found it in my truck."

### Man's Best Friend

Ma asks Pa, "What's the difference between a new wife and a new dog?" "No, what?" replies Pa. "After a year the dog is still happy to see you."

### Walking Again

Lester calls up the town doctor and says, "Doc, you were right when you said you'd have me on my feet and walking in no time."

"That's good," replies the doctor. "When did you start walking?"

"When I got your bill. I'll had to sell my car to pay it."

### Bigger In Texas

A Texas cousin is visiting up Needmore during Christmas and stops by Pa's farm.

"How much land you think you got here?" asks the cousin. "Oh, about 300 acres," replies Pa. "But, most of it's so hilly you can't stand up on it."

"Well," replies the Texan, boasting, "I've got just a small farm in Texas. It's all level and it takes me a whole day just to drive completely around it."

"I know what you mean," replies Pa. "I've got a pickup like that. I'm lucky if it gets me to the barn before it quits."

### Why Don't You Do That?

Ma and Pa wake up one morning at the crowing of their old rooster. While still in bed, Ma says, "Pa, you know our neighbor Farmer Green."

"Yes, Ma, I reckon I do," replies Pa.

"Well, every morning before he leaves the house for work on the farm, he gives his wife a big ol' kiss. Why don't you ever do that?"

Pa sighs and says, "Well, I reckon I can . . . but I just don't know how Green might take that."

### Right of Way

A state engineer stops by Pa's farm one day and tells Pa, "I need to inspect your farm for a possible new road."

Pa says, "OK, but don't go in that field."

The engineer replies, "You know I have the authority of the state government to go where I want. See this card? I am allowed to go wherever I wish on farm land."

"Fine," replies Pa, and goes about his farm chores.

Later, he hears loud screams and sees the engineer running for the fence and close behind is the Pa's prize bull. The bull is madder than a nest full of hornets and is gaining on the engineer at every step!!

Pa yells out, "Show him that card of yours!!"
