

Early visits with Santa

Santa delivered presents Saturday afternoon at American Legion Post 79. The children were relatives of veterans.

A baby girl dressed like Santa didn't appear to be afraid of him. The baby received two presents and cookies at the Post 79 Christmas party.

Reid Turner spends a little time with Santa and Mrs. Santa during Storytime at the public library on Wednesday.

Photo above: Whitney Hays, children's librarian heard a clatter on the roof of the library last Wednesday morning. She took the children outside to see what was causing all the noise. We didn't see eight tiny reindeer, but Santa gave the children a wave (right photo) before coming off the roof to read stories to them and bring them lots of presents.
