 The Engineer Nation traveled to Stanton this past weekend for triple header action against border rival Powell County.

In the first game of the night, the Lady Engineers JV would fall by the score of 45-26. The ladies would play hard but Powell's offensive execution was too much to overcome.

Game 2 action would feature the Lady 'Neers Varsity attempting to gain their first district win of the year. As in any rivalry game, defense was the name of the game. First half action would see both teams scramble hard for loose balls and play ferocious in your face defense.

Estill's scoring leader, Kennedy Flynn would see Powell County defenders around her all over the court on this night but broke free in the second quarter and send Estill to the locker room at the half trailing 13-11.

Bethany Hall's 14 second half points would help Estill take a two point lead heading into the fourth quarter.

Powell would begin to execute their offense and outscore the Lady Engineers 22-10 in the final frame to win this one by the score of 48-38.

Estill would shoot 25% from the field and hit only 5 of 16 from the free throw stripe.

Stats: K.Flynn - 17, B.Hall - 14 pts. 12 reb., S.Danyeur - 4 pts 9 reb., J.Rose - 3 pts. 9 reb.

In the final game of the night, the Estill County Engineers Boys Varsity would take their shot at a win on the road against Powell County.

Once again, defense and physical play seemed to be the constant on this night and Estill would face a 6 point deficit at halftime, 24-18.

Powell would eventually take a 10 point lead, 38-28, in the third quarter but an unbelievable 19-0 run by Estill would help them overcome that lead and take this one by the score of 54-42.
