"EVER WONDER WHY WE DON'T MAKE MORE PROGRESS?"

## Maudie's Naughties

### Bad Hair Day

Farmer Green walks into the barbershop. The barber says, "What will it be today?" Green replies says, "Well I want it going with my waves on top, faded on one side, plug the other, and just make it all out of shape and messed up." The barber answers frowning, "Now why in the world do you want your hair cut like that?" "That's how you cut it last time."

### Another Barber Joke

Uncle Slim enters a barber shop for a shave. While the barber is foaming him up, he mentions the problems he has getting a close shave around the cheeks.

"I have just the thing," says the barber, taking a small wooden ball from a nearby drawer. "Just place this between your cheek and gum."

Slim places the ball in his mouth and the barber proceeds with the closest shave the man has ever experienced. After a few strokes, Uncle Slim asks in garbled speech, "And what if I swallow it?"

"No problem, just bring it back tomorrow like everyone else does."

### Still Another Barber Joke

A barber, an absent minded professor and a bald man go on a long journey together and have to camp out overnight so they decide to take it in turns to watch the luggage. The barber volunteers for the first watch while the other two sleep but soon gets bored so he decides to pass the time by shaving the professor's head. When his shift is up he wakes the professor who pats his head and exclaims, "My goodness, that barber is a real idiot, he's woken up the bald man instead of me."

### Dentists

Dentists can be frustrating. You wait a month-and-a-half for an appointment, and when he examines you he says, "I wish you'd come to me sooner."

### Painless Dentistry

When a new dentist set up in town he quickly acquired a reputation of being the "Painless" dentist. However a local little girl called Gemima disputed his claim.

"He's a fake!" Gemima tells her friends. "He's not painless at all. When he stuck his finger in my mouth I bit him - and he screamed like anyone else."

### Dentist Displeasure

Pa returns home from the dentist and tells Ma, "I don't think I'm going back to that dentist again, I didn't like the four-letter word he used when he was working on my teeth!"

"Well, what in the world did he say," asks Ma. "OOPS!"

### Hospital Tour

Junior and Howard Green are taking a first aid class and are on a tour of the hospital where a doctor shows them some of the work they do. Pointing to the x-ray, he explains, "As you can see, this patient limps because his right fibula and tibia are radically arched." The doctor then looks out at the tour groups and says, "Now what would you do in a case like this?"

Junior replies, "I suppose I'd limp too."

### Anger Management

Brenda makes an appointment to see her doctor, because she is worried about her husband's bad temper.

Doctor Thomas asks: "What's the problem?" Brenda says: "Doctor, I don't know what to do. Every day my husband Jimmy seems to lose his temper for no reason. It's beginning to scare me."

The Doctor replies: "I have a cure for that. When it seems that Jimmy is getting angry, just take a glass of water and start swishing it in your mouth. Just swish and swish but don't swallow it until he either leaves the room or calms down."

Two weeks later Brenda returns to the doctor looking fresh and happy.

Brenda says: "Doctor that was a brilliant idea! Every time my husband started losing it, I swished with water. I swished and swished, and he calmed right down! How does a glass of water do that?"

"The water itself does nothing. It's keeping your mouth shut that does the trick."

### Lucky Escape

A husband takes his wife to a disco. There is a guy on the dance floor living it large, break dancing, moon walking, back flips, the works.

The wife turns to her husband and says, "See that guy? 25 years ago he proposed to me and I turned him down."

"Looks like he's still celebrating!"
