FCCLA Region 15 STAR Events
Two groups from Estill County FCCLA competed in Region 15 STAR Events on Saturday, February 7th at Anderson County High School. Bethany Hall, Paige Horn and Jordyn Rose presented their Environmental Ambassador project about the dangers of plastic shopping bags. Kennedy Flynn, Kaylee Isfort and Courtney Plowman were in Chapter In Review Display which showcases everything the chapter has done this year.

Marcum & Wallace Goes Red

February is American Heart Month and Marcum & Wallace Memorial Hospital went red on Friday, February 6 for National Wear Red Day. Many times, heart disease can be prevented with education and lifestyle changes. Pictured are some of the managers who wore red to raise awareness and help save lives.

Estill 6th Grade Has Great Season

Shown above is the Estill County Middle School 6th grade boys with both of their trophies they earned this season.

Left to right, front: Isaac Napier, Andrew Elam, Coben Clem, Will Isfort, McKeaden Wilburn, Back: Trevin Niece, Cobbe Click, Dean Tucker, Kamden Powell, Dylan Long, Lindon Abney, Dustin Beeler and head coach Seth Martin. Not pictured is assistant coaches Ryan Powell and John Clem.

The Estill County Middle School 6th Grade Boys Basketball Team just completed a great season. They finished the season 25-3 and finished runners up in the Commonwealth Conference which is made up of Estill, Madison and Rockcastle County Middle Schools.

They only lost one regular season conference game to Clark Moores. Clark Moores and Estill only had one loss in the conference to each other. Clark Moores beat Estill by more than they beat them so they ended up winning the regular season even though each team had only loss in the conference. Estill put up a hard fight but ended up losing to Clark Moores in the conference finals and ended up runners up in the Commonwealth Conference.

Early on in the season they lost to a big Wolfe County team by 1 point.

Great season Estill County 6th grade boys; looking forward to see what all you boys accomplish in the future.
