The FERRYMAN

Maudie's Naughties

New Hunting Dog

Junior and Howard are at the dog pound looking for a hunting dog for Howard.

Junior points at one cage and says, "Howard, look at that dog with one eye!"

Howard covers one of his eyes and says, "Where?"

Kidnapping

Trixie is having financial troubles; so, she decides to kidnap a child and demand a ransom. She goes to a local park, grabs a little boy, takes him behind a tree and writes this note:

"I have kidnapped your child. I am sorry to do this but I need the money. Leave \$10,000 in a plain brown bag behind the big oak tree in the park at 7 AM."

Signed, "The Blonde"

She pins the note inside the little boy's jacket and tells him to go straight home. The next morning, she returns to the park to find the \$10,000 in a brown bag behind the big oak tree, just as she had instructed. Inside the bag is the following note:

"Here is your money. I cannot believe that one blonde would do this to another."

News Time

Pa is watching the 6 o'clock news with Junior and Howard. The news is about a man about ready to jump off a bridge.

Pa knows Junior has a \$10 bill from helping Howard's dad put up hay, so he turns to him and says, "I'll bet you a sawbuck the man is going to jump."

"Junior replies, "Okay, you're on," and pulls out the ten.

Howard jerks out his \$10 bill, too, and says, "I want a piece of this action!"

Sure enough, the man jumps, and Junior and Howard hand Pa the tens they earned hauling hay.

Pa says, "I can't accept this money. I watched the 12 o'clock news and saw the man jump then."

"No, you keep it," says Junior. "We watched the 12 o'clock news, too. We just didn't think he was dumb enough to do it again."

Soft Drink Machine

Trixie walks up to an Ale-8 machine, puts a dollar in, presses the button, a can comes out, she says "wow!"

So, she puts another dollar in, presses the button and another can comes out. She keeps doing this over and over again. Soon enough there are about 30 cans all stacked around her.

A guy comes up to her and says "Can I get one before they're all gone?"

"Not now," she replies, "I'm winning!!!"

Swim Race

Trixie is down at the "Y" swimming pool where she enters into a breast stroke race against two other girls.

The starter's gun goes off and the three girls dive into the pool. The other two girls shoot across the pool and get out; 20 minutes later Trixie reaches the end and gets out.

The judge awards the gold and silver medals to the other two girls; then hands the bronze medal to Trixie.

"I don't want to be a sore loser," says Trixie, "But those other girls may have cheated."

"How's that?" asks the judge.

"I think they were using their arms."

Hail Storm Damage

Mitzie gets caught out during a bad hail storm where hail stones the size of golf balls dent her car up pretty badly. The next day, she calls a nearby repair shop to ask about having the dents fixed. The repairman knows her and decides to have a little fun. So, he tells her that if she'll blow into the tailpipe really hard that the dents will just pop out. She goes outside and is blowing hard into the tailpipe when Trixie shows up.

"What in the world are you doing?" asks Trixie.

Mitzie tells her what the repairman told her to do.

"Duh!" says Trixie. "You've got to roll the windows up first."

Engine Problems

Trixie coasts her BMW into a gas station.

She tells the mechanic, "It died."

After he works on it for a few minutes, it's idling smoothly.

She says: "What's the story?"

He replies: "Just crap in the carburetor."

"How often do I have to do that?" she asks.
