The Estill County Middle School Science Olympiad team recently competed in all 23 events at the State Tournament held in Bowling Green. Also, the high school team had four members that competed in three events as individuals. For the middle school team, Libby Tipton and Kyle Bainter placed second in fossils and got a silver medal. For the high school, Caleb Stickney and Hunter Smith got a gold first place medal in Fossils and Caleb got a silver second place medal in Astronomy. During the trip, the students visited the Geology Museum at Berea College and Wolf Creek National Fish Hatchery at Lake Cumberland. We want to thank everyone who supported the teams this year. Lois Webster was the coach with Tony and Linda Belcher assistant coaches. Estill County Science Olympiad teams at Wolf Creek Dam. Front row: Christian Begley.
