"Hometown Hero" Derrick Muncie Honored by Modern Woodmen

Glenda Gay Oliver and Derrick Muncie

Local Modern Woodmen members honor hometown hero Derrick Muncie of Irvine, Kentucky, who was honored on January 26, 2017 for countless hours of service to the community.

Muncie was honored for his service and dedication as fire chief through Modern Woodmen of America's Hometown Heroes Program. In recognition of his efforts, member os Modern Woodmen's Irvine chapter presented Muncie with a certificate and awarded a \$100 grant to the Captain Zachary Chase Clevenger Memorial Fund, the charitable organization of his choice.

Cordinated by local Modern Woodmen members, chapters provide opportunities to connect through social activities and volunteer projects.

"Improving the quality of

life for our members, their families and their communities is Modern Woodmen's mission," says Glenda Gay Oliver, local Modern Woodmen activities coordinator. "The Hometown Heroes Program helps us acknowledge and thank volunteers across the country for doing just that."

As a tax-exempt fraternal benefit society, Modern Woodmen sells life insurance, annuity and investment products not to benefit stockholders but to improve the quality of life of its stakeholders-members, their families and their communities. This is accomplished through social, charitable and volunteer activities. Annually, Modern Woodmen and its members provide more than \$23 million and nearly 1 million volunteer hours for community projects nationwide.

Mending Fences

Big thanks to all the prayer warriors out there. My youngest son, Joel Preston didn't need another transfusion. He has to go back to the UK hematology/oncology children's clinic in about 10 days for more testing. If you get a chance to donate blood, then go donate. Your blood donation could give life to someone in need. Just as the blood of Jesus gives everlasting life for those who believe. There is power in the blood!

The call or text comes in: When you get in your favorite tree stand! When you got a hot gobbler on his way! When it's the coldest snowiest day of the year! When it's storming! When you've got something important to do!

If you ever owned cattle, then you understand that stated above is the only times they seem to get out. Once they get on the wrong side of the fence it can be hard to get them back to the right side. They go rogue and want to always be on the wrong side of fence.

The farm my cattle are on has a creek that is part of a property line. It also has property line fences that run through woods. So, a little flash flood can lead to big holes in the fence. A dead tree can fall and take out a fence. We must keep a close eye on fences and keep them mended. A cow that wants to stay on the wrong side of the fence at our place ends up at McDonalds!

Sometimes we can find ourselves on the wrong side of the fence. Sometimes it's hard to get back on the right side of fence. If you don't know Jesus, then you're on the wrong side of the fence. The wrong side of the fence might feel good but it only leads to the slaughterhouse for eternity. The way to build a fence that leads to everlasting life is to accept Jesus into your heart. Once you accept Jesus as your Savior then start studying His Holy word. The Bible is the great fence mender. Studying the Bible keeps the fences tight and strong. It keeps the fences looking like new!

2 Timothy 2:15
"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

Until next week, get out and enjoy God's creation!

Calling All Songbirds
By placing orange halves on a platform feeder you are sure to attract many songbirds into your yard such as Gray Catbirds, American Robins, Baltimore Orioles, Brown Thrashers, Rose-breasted Grosbeaks, Northern Mockingbirds and Scarlet Tanagers.
