## Stickeler's Answer

### Stickelers Answer

The answer is 15. The sequence is the first 15 numbers that don't contain an "o" in their spellings — "ogone" numbers.

## Bible Verses

### Matthias Replaces Judas (Acts 1:15-19)

15 And in those days Peter stood up in the midst of the disciples, and said, (the number of names together were about an hundred and twenty,) 16 Men and brethren, this scripture must needs have been fulfilled, which the Holy Ghost by the mouth of David spake before concerning Judas, which was guide to them that took Jesus. 17 For he was numbered with us, and had obtained part of this ministry. 18 Now this man purchased a field with the reward of iniquity; and falling headlong, he burst asunder in the midst, and all his bowels gushed out. 19 And it was known unto all the dwellers at Jerusalem; insomuch as that field is called in their proper tongue, Aceldama, that is to say, The field of blood.
