## New Program "Table Talk"

Table Talk is a new program that is in the trial stages at the Estill County Public Library and is a great way to learn about each other and have a meaningful conversation. In the fast-paced world of technology we have lost the art of talking face-to-face, so I thought it would be a great opportunity to include a program where you can meet new people and talk about new subjects, share ideas, and just have a normal conversation with someone. The only topics that I truly do not want to touch on are politics, religion, or sports. Can't think of anything to talk about? Don't worry I have conversation starters to help us out. Table Talk will be on Saturday, January 18 at 12:00 and again on Wednesday, January 22 at 1:30. If you need more information, please contact Lesa at 606-723-3030.
