## Library Happenings

### Estill Public Library

by Shannon Horn

Hello everyone! I feel like it has been forever since I wrote an article for the paper. I forgot last week, but that isn't a surprise. We have so much going on that it just completely slipped my mind. So I am going to go ahead and share some important information with you!

#### Memorial Bricks

When we originally put out information about the memorial bricks, there were quite a few people that were interested in purchasing a brick to line the entry way at the new library. Those bricks have been placed in the sidewalk, but we've had several people asking if we would be placing another order. Myra spoke with me today and yes, there will be another purchase of bricks. The form will be available at the library the second week of February. The cost is \$40.00 per brick. There will be a website link available shortly, so that you can order online. I'll share that with you as soon as I get the link from Myra!

#### Carhartt Trip

I want to say a special thank you to everyone at Carhartt for having our Homeschool Enrichment group for a tour on the 23rd. We had 20 people come for the tour, and what a wonderful time we had. I never knew how much work it is to make a pair of pants! I'm so thankful that we have places in our community that our kids can visit and learn!

#### New Library Location Information

We've been asked by several people about when we will be moving, if the library is going to stay open during the move, and whether or not we will be having programs. I wanted to go ahead and answer these questions. First, I don't know exactly when we will be completely moved in. We haven't been given a new opening day yet, but we will hopefully begin moving stuff into the building within the next few weeks.

The most frequently asked question has been about whether or not we will be open or closed during the move. We will be staying open. The plan is to keep some the newer materials here in the library while everything else is being moved. Programs will also continue during the moving period. I will try to provide a list of February's activities next week, but you can always find out what is going on through our website or by stopping in and getting a calendar.

Don't forget -- Storytime is Wednesdays and Fridays at 10:30 a.m.

Walking Group meets on Mondays, Wednesdays and Fridays from 5:00-6:00 p.m.

And LEGO Club meets Thursdays at 4:00 p.m.

Next week I will have more information about upcoming programs that the library will be having!

HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.
