Maudie's Naughties

Nature Calls

A tractor-trailer driver makes some deliveries downtown and then heads back to Lexington. He has just topped a hill when nature's call hits him. He first decides he can make it, but just as he starts over the hill, nature's call became overwhelming. Since there is no place close by, he decides to pull over to the side of the road. There aren't any trees nearby so he backs up out of sight behind the truck's wheels and pulls down his pants. He has just finished his business and pulled his pants up when he feels a tap on his shoulder.

Looking up, he sees a Kentucky state trooper standing there who asks, "What are you doing down there?"

"Oh," says the trucker. "I was just checking my tires."

"Well, you better check your brakes, too," says the trooper. "Your truck just rolled down the interstate."

College Girls

A group of college girls stop by the retirement home where they walk by three elderly gents sitting on a bench. As each of the young ladies pass by the three men stare intently.

When the prettiest of them all walks by, one of the men says, "I'd like to give her a hug."

"I'd like to give her a kiss," adds the second man.

And the third old man says, "What were some of the other things we used to say?"

Moonshine

Syrus comes to town one day carrying a jug of moonshine in one hand and a shotgun in the other. He stops a man on the street, says to him: "Here, friend, take a drink outta my jug." The man protests, saying he never drinks.

Syrus levels his shotgun at the man and commands: "Drink!"

The stranger drinks, shudders, shakes, shivers and coughs. "My goodness! That's awful stuff!"

"Yep!" replies Syrus. "Now you hold the gun on me while I take a swig."

True Friend

A good friend will come bail you out of jail . . . but, a true friend will be sitting next to you saying, "Dang . . . that was fun."

Wife Problems

A guy is in a bar, and, after a few drinks, sobs to the bartender that he met his wife in a house of ill repute.

"You shouldn't be so unhappy about it," says the bartender. "It actually sounds a little romantic."

"Oh, yeah," says the man. "Well, she thought I was bowling, and I thought she was home taking care of the kids."

Burst Pipe

A pipe bursts in a lawyer's house, so he calls a plumber. The plumber arrives, unpacks his tools, does mysterious plumber-type things for a while, then hands the lawyer a bill for \$600.

The lawyer exclaims, "This is ridiculous! I don't even make that much as a lawyer!"

The plumber replies, "Neither did I . . . when I was a lawyer."

Vacation

Billy Bob and Luther are talking one afternoon when Billy Bob tells Luther, "Ya know, I reckon I'm 'bout ready for a vacation. Only this year I'm gonna do it a little different.

"The last few years, I took your advice about where to go. Three years ago you said to go to Hawaii. I went to Hawaii and Earline got pregnant. Then two years ago, you told me to go to the Bahamas, and Earline got pregnant again. Last year you suggested Tahiti and darned if Earline didn't get pregnant again."

"So, what you gonna do this year that's different?"

"This year," says Billy Bob. "I'm taking Earline with me."
