Estill Public Library

by Shannon Horn

We have made it through week two of Summer Reading! Wow! I still can't believe that we are able to do this even though we aren't able to meet in person. I just want to share some things we have done this week and some upcoming things as well.

First, I would like to say a special thank you to Aaron Abney and the Hippie Hutt for providing us with free shaved ice tokens to use as prizes for our Summer Reading Program. If you haven't been to the Hippie Hutt for a shaved ice you are MISSING OUT. Go check them out, everything that I have had there has been delicious.

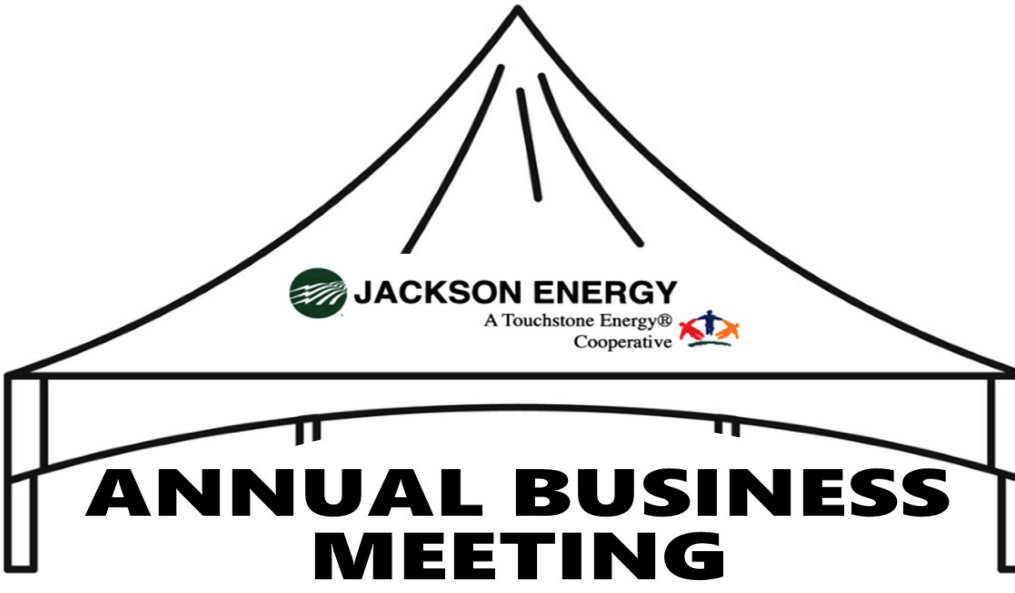

Also, I would like to say a special thank you to Joe Crawford for doing a Guest Read for the kids. He was brave enough to be the first to sign up. If you missed Joe reading, it is still up on our Facebook page, so go give it a watch. Also, Chris Shouse participated in our Guest Reader Session. His video is up on our Facebook as well. Tony Horn will be joining us next week as our guest reader! These videos go live every Monday at 11:00!

Our virtual Pickin' in the Park series has been going well! We've had some awesome performances. Most recently we had Aaron Boyd and James Reed. If you would like to go back and watch those performances they are up on our Facebook! Michael Stallings will be performing for us on the 23rd at 6:30!

Last week I gave the kids a challenge to get outside and find a place that a fairy or a troll would live. The theme for last week was fairy tales and I wanted the kids to get outside. I had so many great submissions. They are all on in a post on our Facebook page. The kids found some wonderful places that looked like fairies or trolls might just live there.

Keep an eye out on our Facebook page, because we have so many things going on right now! I'm going to list below the activities going on during the week! 1:00 shows every day from Page Turner Adventures. Storytime every Wednesday and Friday at 10:30. Mondays at 11:00 we will have special guest readers for the kids. Teen events will be put out on Thursdays at 3:30. Pickin' in the Park is virtual right now, but it is still every Tuesday at 6:30. Keep an eye out for weekly calendars with updates.

Under Cover
Little bird areas are a safe place for birds to feed, as well as fledglings. Shy birds like buntings feel safe under cover. My bird area is about 5 feet in circumference, under a lantana bush. There's always something going on. I love to watch that area the most.
