Maudie's Naughties

Can You Find Me?

Junior drives up to Morehead for a community education course about nature at Cave Run Lake. A forest ranger is lecturing on map reading.

After explaining about latitude, longitude, degrees and minutes, the ranger says, "Suppose I ask you to meet me for lunch at 38 degrees, 2 minutes north latitude and 83 degrees, 30 minutes west longitude...?"

After a long and confused silence, Junior looks around the classroom and then volunteers, "Looks like you'll be eating alone."

Circulation

Junior stops in on a Red Cross class where a first aid instructor is giving a lesson on the circulation of the blood. Trying to make the matter clearer, the instructor says, "Now, if I stood on my head, the blood, as you know, would run into it, and I should turn red in the face."

"Yes, sir," they all agree.

"Then why is it that while I am standing upright in the ordinary position the blood doesn't run into my feet?"

Junior shouts, "Cause yer feet ain't empty!"

Report Card

Pa calls up Morehead to see how Junior done on his community education classes.

The instructor tells him, "Well, at least there's one thing I can say about your Junior."

"What's that?" asks Pa

"With some of the scores he made," says the instructor. "We know he sure didn't cheat."

Ghostly Castle

A young American tourist goes on a guided tour of a creepy old castle.

At the end of the tour the guide asks her how she enjoyed it. She admits to being a bit worried about seeing a ghost in some of the dark cobwebby rooms and passages.

"Don't worry" says the guide, "I've never seen a ghost all the time I've been here."

"How long is that?" asks the girl.

"About three hundred years."

Junior on the Jury

Junior is serving on the jury where they are asked to determine the guilt or innocence of a man whom a woman claims made unwelcome advances toward her in a Richmond bar.

The judge asks the woman to tell the court what the man said to her before the alleged assault occurred.

"I can't," says the woman. "It's just too embarrassing!"

So, the judge asks her to write it on a piece of paper and passes it around to the jury. Junior is juror #12 and is dozing off when the note reaches him. A woman juror next to him nudges him and hands him the note. He looks at it, smiles at her, and slips it into his pocket.

"Will juror #12 please pass the note to me," says the judge.

"I can't, your Honor," says Junior. "It's personal."

Pa's New Tonic

Bubba and Pa are driving down the road when they hear the end of a new laxative commercial that says, "It makes you feel young again."

Pa looks over and Bubba and says, "We need to pull over and get a bottle of that stuff!"

They pull over at the nearest store. Bubba gets out and buys a bottle, and Pa takes two big swigs from it. About a mile down the road, Bubba says, "Well, Pa, do you feel young yet?"

"No," replies Pa, "But I sure did a childish thing!"

Americanisms

"You can fool some of the people all the time, and those are the ones you want to concentrate on."
