Swim is on Cumberland's President's List

In recognition of academic performance, the Office of the Vice President for Academic Affairs at University of the Cumberland has announced that Micah Swim of Irvine was named to the President's List for the fall 2020 semester.

To be eligible for the President's List, students must be enrolled in at least 12 credit hours (a full course load), maintain a minimum cumulative grade point average of 4.0, receive an "A" grade in UC Engage, and be in good academic standing. (Note: All students who are named to the President's List automatically make the Dean's List, since the Dean's List requires a minimum cumulative GPA of 3.5; however, Cumberland only lists students on either the Dean's List or the President's List, to avoid overlap.)

Congratulations, Micah, on this great academic achievement!
