VETERANS OFFICER ASSIST VETERANS

Mike Miller, field representative for the Kentucky Department of Veterans Affairs for Estill County is available for more information, or to answer any questions at (859)-531-9144.

Library Corner by Lisa Ledford Adult Services

Hello! It's a busy time at the library for those of us who schedule programs. We are in the process of working on our Summer Reading Program for June and July. I'm also working on the Pickin' in the Park concert series as part of our Summer Reading Program and have a great line-up so far. We love to showcase our local artist and provide a relaxing night of music for our community.

We kick-off our concert series in May with the following artists already scheduled:

May 4: Cameron White

May 11: Chelsea Nolan

May 18: Watson Family

May 25: Grayson Jenkins

All our concerts are on Tuesday nights starting at 6:30 p.m. and right now we have them scheduled as virtual events due

to Covid-19, but we are hopeful that we can move our concerts back to Rising Park before too long.

On May 11 we will be hosting our first Tuesday Evening Book club at 1:30 p.m. since this pandemic began. If you are interested in being a part of the book club stop by and check-out the current book "Bare Bones" by Kathy Reich that we will be discussing on Tuesday, May 11. We must wear a mask and maintain social distance, but we will be meeting at Rising Park behind the old library location. I look forward to meeting with everyone and talking about the book.

I recently started a Money Monday talk via Facebook live and have included information about identity theft and how long to keep important documents. I have some interesting information coming up in May about online banking, security, and how to create and manage an account.

May 3: Getting Started with Online Banking

May 10: Security

May 17: Creating an Account

May 24: How to Manage an Account

These all will be at 6:00

on Monday nights via Facebook. I hope these are of interest to someone whether you are just thinking about opening an account or have an existing account and want to see what online banking is all about. I can provide the information, but once again I am not a professional banker and felt led to start Money Monday's to provide information to the community.

We are currently doing limited in-person services on Monday, Tuesday, and Thursday for those wishing to come into the library to browse the shelves of books we have. We will be closing every day at 1:00 for lunch and to clean high contact areas. With the guidance from the governor we are doing our best to keep staff and patrons safe and healthy by not coming into contact with each other. If you don't feel comfortable with coming in the library at this time we still offer curbside service or you can make an appointment to come into the building by giving us a call at 606-723-3030. When arriving to the library we do ask that you wear a mask and upon entering the library we do take your temperature.

We are also looking

forward to our Summer Reading Program starting on June 1 and I am looking for people in the community that are willing to tell a story, whether it be about their family history or some historical site in Estill County that others may not know about. If you quilt and have a story about a quilt that you would like to share, I would be interested in the story. We do plan to record the stories either via Facebook Live or as a podcast. If you are interested in telling your story please contact me at 606-723-6730 so we can plan out a time to record your story. My plans are to travel to several historical sites in the county and find out the stories behind them, and if you have a story about one of the sites I'd be interested in listening. We want to capture as many stories as possible about Estill County to have on file for others to hear.

There are many other plans for upcoming programs that are too numerous to mention and we still are narrowing down dates. Stay informed of all events by following our webpage and our social media pages for all library news. Until next time, Read on.

INPECTION PERIOD FOR THE PROPERTY TAX ASSESSMENT ROLL

The Estill County real property tax roll will be opened for inspection from May 3 through May 17, 2021. Under the supervision of the property valuation administrator or one of the deputies.

This is the January 1, 2021, assessment on which state, county and school taxes for 2021 will be due in the Fall of 2021.

The tax roll will be available for inspection by appointment only between the hours of 8:00 to 4:00 Monday through Friday and 8:00 to 12:00 on Saturday.

Any taxpayer desiring to appeal an assessment on real property must first request a conference with the PVA or a designated deputy. Due to the current COVID-19 crisis, we recommend all conferences be held by phone. But If you would like an in-person conference, we recommend you make an appointment, to avoid overcrowding in our office at any one time. You can contact us for an appointment by calling 606-723-4569. When calling the PVA Office, if your call is not answered, this means all lines are busy or we are assisting other customers, please leave a message with your name and number and we will return your call as soon as possible. Documentation supporting your opinion of value will continue to be required; however, you will receive specific instructions on the best method to submit your documentation after contacting our office about your intention to have a conference.

Any taxpayer still aggrieved by an assessment on real property, after the conference with the PVA or designated deputy, may appeal to the county board of assessment appeals.

Your appeal must be filed with the county clerk's office no later than one workday following the conclusion of the inspection period. Please contact the county clerk's office to receive instructions on the method that office is using to accept appeals this year and to obtain a form that can be used to file you appeal.

Any taxpayer failing to appeal the county board of assessment appeals, or failing to appear before the board, either in person or by designated representative, will not be eligible to appeal directly to the Kentucky Claims Commission.

Appeals of personal property assessments shall **not** be made to the county board of assessment appeals. Personal property taxpayers shall be served notice under the provisions of KRS 132.450(4) and shall have the protest and appeal rights granted under the provisions of KRS 131.110.

The following steps should be taken when a taxpayer does not agree with the assessed value of personal property as determined by the property valuation administrator.

- (1) He or she must list under protest (for certification) what is believed to be the fair cash value of the property.
- (2) A written protest must be filed directly with the Department of Revenue, Office of Property Valuation within 30 days from the date of the notice of assessment.
- (3) This protest must be in accordance with KRS 131.110.
- (4) The final decision of the Department of Revenue may be appealed to the Kentucky Claims Commission.

Jeff L. Hix

Property Valuation Administrator
