

Estill golfer Joe Benton named 'Citizen of the Month' for Ravenna

Joe Benton was the City of Ravenna's "Citizen of the Month" for March, 2021. He is a graduate of Estill County High School. His family includes parents Ricky Joe and Chasity Benton, a sister, Maddie Jo, and brothers Cade and Greyson. Dad got him interested in sports, and his favorites are golf and basketball. His favorite saying is, "Hard work beats talent when talent doesn't work hard." Applying that theory became reality when he was nominated for Mr. Kentucky Basketball 2020. And, as for golf, he was on the ECHS 2020

team that finished 6th place in Bowling Green which was the highest achievement in school history.

Joe's favorite memory of his ECHS basketball career was not his achievement of making 1900+ points, but being on the first team to play at Rupp Arena after the Engineers won the 14th Region in 2018. He is now attending EKU on a golf scholarship and working at Gibson Bay Golf Course. The City of Ravenna wishes Joe all the best of his endeavors to become a pro golfer one day soon! Ravenna Proud!

Joe Benton -- Citizen of the Month

Estill senior never missed a day

One of Estill County High School's seniors will be graduating without missing a day of school.

Seventeen-year-old Dalton Elijah Goolman has been in school for 15 years and has never missed a day including one year of preschool, kindergarten and 5 years at Trapp Elementary School

where the family lived before moving to Estill County.

After moving here, he continued his perfect attendance with 3 years at Estill County Middle School and currently has perfect attendance in four years at Estill High County School where he is an A/B student. He also works at Meade's Do-It Center in Irvine.

Dalton and his family live on Harris Ferry Road where he enjoys fishing, dirt bike riding, and hanging with friends and family. Last summer, he was involved with raising a tobacco crop along with some of his friends and family.

He is the son of Brad and Melissa Goolman, born July 3, 2003. Congratulations, Dalton!

Dalton Elijah Goolman, 15 years of perfect attendance

WATER RECREATION SAFETY

Water and electricity don't mix!

Staying safe while near the water is simple - but these tips can be easily forgotten

POOL SAFETY:

- Use battery-operated appliances or waterproof covers for electrical appliances so you can avoid the risk of electrical shock
- If someone in the pool feels electricity, don't dive in. Use a non-metal shepherd's hook to pull him/her out of the water

RIVER/LAKE SAFETY:

- Avoid swimming or getting in the water near boats plugged into shore power or docks with electrical services
- Fishing on a dock or boat? Keep a distance of at least 10 feet between your pole or boat and nearby power lines
- If someone in the water is shocked, turn off the power source and use an insulated device to attempt to remove him/her from the water
