## Have You Found Him Yet?

Slim comes stumbling down the highway while sipping on some 'shine and he spies a baptismal service going on as he crosses the Clearwater Creek bridge. He ambles down the bank and joins the crowd, where he catches the eye of the preacher. "Mister," says the pastor. "Are you ready to find the Master?" "Yess, preacher," says Slim. "I suuure am." The preacher leads Slim down to the cold, clear waters, where he pushes him completely under, then brings him back up. "Have you found him yet," asks the preacher. "Nooo," says Slim, "I haven't." The preacher pushes him under again and glances at the crowd while holding Slim under a little back longer. "Have you found him yet," asks the preacher as Slim comes up. "Nooo," says Slim, "I still haven't" The pastor pushes Slim down for a third time and shakes his head at the crowd as he holds the man down for a long time.

## Where's The Driver

A man stands on the side of the road hitchhiking on a very dark night in the middle of a storm. As the night goes by no cars pass him. The storm is so strong, he can hardly see a few feet ahead of him. Suddenly he sees a car come towards him and stops. The guy, without thinking about it, gets in the car and closes the door to realize that nobody is behind the wheel. The car starts slowly. The guy looks at the road and sees a curve coming his way. Scared, he starts praying, and begs for his life. He hasn't come out of shock, when just before he hits the curve, a hand appears through the window and moves the wheel. The guy, paralyzed in terror, watches how the hand appears every time before a curve. The guy gathers strength, gets out of the car and runs to the nearest town. Wet and in shock, he runs into a bar and asks for two shots of tequila, and starts telling everybody about the horrible experience he went through. A silence envelops everybody when they realize the guy is crying and isn't drunk. About half an hour later, two guys walk into the same bar, and one says to the other, "Look Bubba, that's the jerk who climbed into the car while we were pushing."

## Paraprosookians

The early bird might get the worm, but the second mouse gets the cheese. Do not argue with an idiot. He will drag you down to his level and beat you with experience. I want to die peacefully in my sleep, like my grandfather. Not screaming and yelling like the passengers in his car. Going to church doesn't make you a Christian any more than standing in a garage makes you a car. Light travels faster than sound. This is why some people appear bright until you hear them speak. If I agreed with you, we'd both be wrong. We never really grow up, we only learn how to act in public. War does not determine who is right - only who is left. Knowledge is knowing a tomato is a fruit; wisdom is not putting it in a fruit salad.

## More Maudie's Naughties

### Bad News and Terrible News

A company president is sitting in his attorney's office. His lawyer says, "Do you want the bad news first or the terrible news?" "Give me the bad news first." "Your wife found a picture worth a half-million dollars." "That's the bad news?" asks the man incredulously. "I can't wait to hear the terrible news." "The terrible news is that it's of you and your secretary."

### True Fairy Tale

Once upon a time, a guy asks a girl "Will you marry me?" The girl says, 'NO!' And the guy lives happily ever after and rides motorcycles and goes fishing and hunting and plays golf a lot and drinks beer and scotch and has tons of money in the bank and leaves the toilet seat up and passes gas whenever he wants. The end.

### Switching Channels

A man is watching a football game on TV and keeps switching channels back and forth from the football game to a raunchy movie featuring a loving couple in bed. "I don't know whether to watch them or the game," he says to his wife. "For goodness sake, watch them," his wife answers. "You already know how to play football!"
