**Best Wishes to
all Estill County
Athletes!**

**Smith selected for
SAE Launch Grant**

Abby Smith

The Estill County FFA would like to congratulate Miss Abby Smith for being selected by the Kentucky FFA Association to receive the SAE Launch Grant this spring.

Abby applied for the grant to develop her Supervised Agriculture Experience (SAE) Program in Sheep Production, with most of the funds targeted for feed and supplies to care for her growing livestock project.

The \$500 grant to "launch" her Supervised Agriculture Experience program is designed to help FFA members start, expand, or improve their agriculture-related projects. The funds for FFA Launch Grants are provided by numerous donors through gifts to the Kentucky FFA Foundation,

Abby is the daughter of Jason and Brandi Smith, is a rising junior at Estill County High School, and has been a member of the local FFA chapter for two years.

Congratulations to Jon O'Hair for his performance at the KHSAA 2A State Track Meet on Friday in the Boys 400M – 8th - Jon O'Hair - 52.85.

Estill County Baseball Engineers senior pitcher Andrew Elam (above) was named All-Region along with Braeden Waddle and Kamden Powell.
