Hello! It's been a very busy week here at the library. We kicked off our Summer Reading Program on June 1 with registration and a concert with Donovan Howard. If you haven't signed up for our Summer Reading Program there is still time. We have several programs for all ages and one of those is Explore Estill Summer Challenge for the whole family to have fun with. You can stop by the library and pick up the challenge at the circulation desk. The challenge is to visit 20 of the 40 places in Estill County from the list provided by the library. If you visit 20 of the 40 places and upload selfies with your family for social media using #ExplorEstill2021, you will earn a medal. If you visit all 40 places and upload selfies as well you will be added to our Wall of Fame.

2:00.  
**June 25:** Story & Songwriter Haydee Canovas (virtual program) 2:00.

Elizabeth, our Youth Services Librarian, will be doing storytime on Wednesdays at 10:30. and Thursday's at 7:00. P.M. and will also be having some special guest readers throughout the summer as well. You can find information about any and all programs on Facebook or by stopping at the library and picking up one of our calendars.

I also wanted to mention that we do have hotspot devices for check-out here at the library and we have a digital toolbox for check-out as well, which consist of, a laptop, mouse, hotspot, charging cords, and carrying case. If you need to work on resumes or job applications these would be excellent for getting that work done. You must be a library patron and in good standing with the library, meaning there are no fines on your account. If you need more information on these devices please contact me (Lesia) at the library.

Over the last several months I have been listening to audiobooks by John Grisham. I never thought I would be reading his books, but I can't stop now. As most of you may know his books are usually about lawyers. The first book I listened to of Grisham was The Rooster Bar which was released in 2017. I recently finished The Client which was made into a movie with Tommy Lee Jones and Susan Sarandon. If you are looking for something new to try I would highly recommend John Grisham. I like a good mystery and every book that I've read would make a great television series or

movie. The Camino Island series is good as well and I hope he writes more in that series. I haven't had a chance to try his most recent release, Sooley, yet because there are so many holds for it. Give John Grisham a try and let me know what you think.

If you are interested in joining a book club, we have the Tuesday Afternoon Book Club on the second Tuesday of the month at 1:30. at Rising Park, which is up behind the old library on Main Street. We would love to have you join us in our book discussion. If you would like more information please give the library a call.

We kicked the Summer Reading concert series off with Donovan Howard in concert and it was a wonderful concert. Our concert lineup for June goes as follows:

- June 8:** Better than Yesterday
- June 15:** James Dotson
- June 22:** Ethan Hunt
- June 29:** Trish Torline

The concerts start at 6:30. and the concert on June 15 will actually be the first concert held at Rising Park, depending on the weather. If we can't do it outside we will move it inside the old building on Main Street. Bring a lawn chair if it was to be raining because there is no seating at the Main Street location.

We continue to offer curbside service along with any and all other library services. If you need books delivered to your home please contact Sherri and she will work out a date and time for delivery.

If you need any library services please stop by the library or give us a call. Until next time... Read on!

## Craft Academy Welcomes Class of 2023

**Kirston Kelley**

**Jacob Winkler**

The Craft Academy for Excellence in Science and Mathematics at Morehead State University is proud to announce the 2023 class members.

Sixty-nine students from across the Commonwealth were chosen to attend the Craft Academy, located on the campus of Morehead State University. The students live in Grote-Thompson Hall and earn dual credit as they complete their final two years of high school at the academy while also taking college-level courses.

Craft Academy provides students with a postsecondary residential experience to complete their junior and senior years of high school by enrolling in college courses. The Craft Academy's purpose is to meet the unique educational needs of academically gifted and talented high school juniors and seniors in the Commonwealth. The academic rigor of the Craft Academy challenges students to excel at their highest level through project-based STEM+X courses and hands-on learning experiences, with

emphasis on innovation, design and creativity, and civic and regional engagement.

Students who apply are selected to attend the academy for excelling in science, math and other STEM-related fields. They must also complete a face-to-face interview and submit recommendations from teachers, coaches and mentors.

Local and area students in the Craft Academy Class of 2023 are:

- Kirston Kelley, Estill County High School
- Jacob Winkler, Estill County High School
- Hannah Barrett, Lee County High School
- Autumn Davidson, Owsley County High School
- Derek Gill, Powell County High School
