

Estill Middle Youth Services Center "Pumpkins & Spice" Family Fun Night

The Estill County Middle School Youth Services Center sponsored a Family Math Night on September 29, 2015. Families came to the middle school and participated in two activities. The first activity required the families to work together to determine how to add and subtract fractions in order to successfully combine the ingredients required to cook their own pumpkin bread. Then while their bread was baking the families learned about the importance of recycling and reusing our resources, which culminated with each family converting their aluminum bread pan into a decorative flower box.

"Very Young" Estill Boys Golfers Finish 2nd In Region

8th Grader Joe Benton Qualifies For High School State And Finishes 3rd in Middle School State

The Estill County Varsity Golf Team competed in Golf Regionals on Monday, September 28, 2015 at Raven Rock Golf Course in Letcher County. They were competing for their fourth regional boys golf championship in a row with a very young team against 12 other teams in the region.

To be such a young team competing against high schoolers, they more than held their own!!! Estill's golf team placed 3rd out of 13

teams. They were only seven strokes from second place. However, only the top two teams qualified for state from each region. But third place is wonderful for Estill considering that all but one of the team members of the golf team are 7th and 8th graders. To be such a young team competing against high schoolers, they more than held their own!!!

This boys varsity team consists of one senior Mc-Kane Short. It contains one eighth grader Joe Benton and three

seventh graders Isaac Napier, Andrew Elam and Cobbe Click. The team is coached by Ricky Joe Benton. The Engineers say goodbye unfortunately to senior McKane Short who will graduate, but they have Joe, Cobbe, Andrew, and Isaac back for many years.

Congratulations, to Joe Benton who scored a 74 and qualified to the State KH-SAA Golf Tournament in Bowling Green as an individual! He placed runner-up in the region out of 85 golf-

ers. We are so very proud of him and his accomplishment as an eighth grader.

This will be a team to watch for many years to come!!

The Estill County Middle School Golf Team finished up the season by competing in two final golf tournaments over the weekend.

Congratulations go out to the middle school golf team. They competed on Saturday October 10th in Florence at the Northern Kentucky Regional Middle School Tour-

namment.

Estill golfer Joe Benton came in second in the eighth grade division. Cobbe Click placed second in the seventh grade division. Kenny Dale Rose placed first from his fifth grade division. Kade Benton placed second in the fifth grade division. Caden Stewart placed third in the sixth grade division.

The Middle School Golf Team also competed in the Kentucky PGA State Middle School Tournament on Sunday, October 11, 2015 in

Louisville at Quails Chase Country Club.

A big congratulations goes out to eighth grader Joe Benton who finished third out of 109 golfers. The middle school golf team had a good showing and finished seventh. Members of the middle school golf team that finished seventh in the state were Joe Benton, Kade Benton, Cobbe Click, Andrew Elam and Isaac Napier.
