

# Estill Youth Football Teams Both Win Conference Titles

The Estill County Youth Football League joined the Pioneer Valley Football Conference this year and both teams won their respective conference championships on Saturday, October 31, 2015.

The 5th and 6th grade team went undefeated for the season with a record of 10-0. They won the regular season division and the division playoff title as well, over Montgomery County.

Last Saturday they defeated the other division winner, Harrison County, by a score of 22-16 in a thriller to be crowned as the Pioneer Valley Conference Champions. They are coached by Andar Niece, Bee Williams, and William Hardy.

The 3rd and 4th grade finished their season with a record of 11-2. They won their division playoff title over Breathitt County. Last Saturday they also won a thriller, 25-19, over Harrison County, to take the Pioneer Valley Conference Championship as well. They are coached by Mark Chaney and Andar Niece.

The wins are a major accomplishment for the boys and they, along with their families and their coaches, richly deserve this honor. Winning both championships of the Pioneer Valley Youth Conference is a great honor for Estill County. The league is very competitive with teams from Bath, Breathitt, Bourbon, Estill, Fleming, Harrison, Montgomery, Nicholas, Powell and Rowan counties.

Congratulations, Estill!
