### Call From Work

Bambi bought a new program for her computer and has not been able to get it to work. She calls the tech support number listed on the back of the box.

"I need you to right-click on the Open Desktop."

"Ok."

"Did you get a pop-up menu?"

"No."

"Ok. Right click again. Do you see a pop-up menu?"

"No."

"Can you tell me exactly what you have done up until this point?"

"Sure, you told me to write 'click' and I wrote 'click.'"

### Three Old Ladies

Three old ladies are sitting in a diner, chatting about various things. One lady says, "You know, I'm getting really forgetful. This morning, I was standing at the top of the stairs, and I couldn't remember whether I had just come up or was about to go down."

The second lady says, "You think that's bad? The other day, I was sitting on the edge of my bed, and I couldn't remember whether I was going to bed or had just woken up!"

The third lady smiles smugly. "Well, my memory's just as good as it's always been, knock wood." She raps the table.

With a startled look on her face, she asks, "Who's there?"

### Stripping

Pa is passing by Farmer Green's barn one morning when he notices through the open door that Green is doing a slow and sensual striptease in front of his old Massey Ferguson tractor. He performs a slow pirouette and gently slides off first to the right, then to the left. Green then hunches his shoulders forward and in a classic striptease move, lets his braces fall down from his shoulders to dangle by his hips over his corduroy trousers. Grabbing both sides of his checked shirt, he rips it apart to reveal his tea stained vest underneath and with a final flourish he hurls his cap on to a pile of hay.

"What on earth are you doing, Green?" says Pa.

"Well," says Green "Me and the Missus been having some trouble lately in the bedroom department and the therapist suggested I do something sexy to a tractor!"

### Late For Work

For thirty years, Johnson had arrived at work at 9:00 a.m., on the dot. He had never missed a day and was never late. Consequently, when on one particular day, 9:00 a.m. passed without Johnson's arrival, it caused a sensation. All work ceased and the boss himself, looking at his watch and muttering, comes out into the corridor. Finally, precisely at ten, Johnson shows up, clothes dusty and torn, his face scratched and bruised, his glasses bent.

He limps painfully to the time clock, punches in, and says, aware that all eyes are upon him, "I tripped and rolled down two flights of stairs in the subway. Nearly killed myself."

The boss says, "And to roll down two flights of stairs took you an entire hour?"

### Left On The Bus

On the first day of school, the bus driver picks up his children at school, then makes his rounds, letting them off at their respective stops. But when he gets to the end of the route he realizes that he has one small boy, a kindergarten student, who is still on the bus. So, the driver retraces his route, stopping at each street and asking the child if he recognizes his house. Finally, they get back to the school, and the driver tells him, "We have to go inside the school and find out where you live."

"I live right there," says the boy, pointing to a house across the street. "I just always wanted to ride in a school bus."

### Riding The Ferry

Howard and Junior have been to Lexington in Pa's old pickup and decide to take the scenic route home by crossing the river over the Valley View Ferry. But just as they get to the river they see the ferry is several feet away from the dock. "Oh, shucks," says Howard. "We've done missed it, and we'll be late for supper."

"Not yet," says Junior. "Hang on and watch this!" He guns the engine of Pa's pickup and shoots off the dock, making a perfect landing on the deck of the ferry.

The ferry operator comes running over, and Junior proudly says, "How did you like that jump, buddy?"

"That was great," says the operator. "But why didn't you just wait? We were pulling in!"

### Card of Thanks

The family of Lloyd Stone would like to thank all our family and friends who stood by us with food, flowers and prayer during the loss of our beloved husband, father, brother and grandfather.

Thank you to the staff of Irvine Nursing and Rehab for the loving care you gave him during the past two years.

Thanks to Hospice Care Plus for your support prior to his passing. We also want to thank the Warren F. Toler Funeral Home staff for your service to the family.

Many thanks to Brother Marvin Neal for the kind, consoling words and to the pallbearers and honorary pallbearers who stood by the family in our time of need.

Our appreciation goes out to members of the Ivory Hill Baptist Church who looked after Lloyd when he was able to attend. And to his former church, Grace Baptist of Lexington, thank you for all the support you gave us during this time of need.

His gentle heart and kind smile will be missed by many. We will always remember him.

Bonnie, Judy and family
