

Back To School Time

on time, as well as watch for drivers who disrespect the big, yellow bus! Our Bus Drivers are wonderful people with hearts of gold, they care for every student that rides and get very little praise or words of thanks. The next time you see a bus, no matter where you are, be sure to wave. You'd be surprised how it makes them smile. They may not be able to wave back but they see you and appreciate your vote of confidence. Obey all traffic stops the bus makes and please do not pass a bus when the red stop sign is out or lights are flashing. This is a danger to our students as well as against the law.

Please be patient with drop-offs and pick-ups at our schools. Traffic will be a nightmare, it won't be any different than years before, so be prepared. Just smile to your neighbor, bring along a magazine and wait it out. Our teachers and staff work very hard to make this process go as smooth as possible, but we are only human, we WILL make mistakes. Again, please be patient with us.

Every one of us love what we do, we wouldn't be doing it if we didn't! We love the students and want to make their learning experience a good one. We are always a phone call away and will do everything in our power to assist you with any questions or concerns you may have.

Our attitudes reflect in

our children. If momma or daddy is upset, the student will be upset, but if momma or daddy look at the new school year with a smile and excitement, then your child will do the same! I look forward to seeing EVERYONE'S smile August 5th and here's to another FANTASTIC year!

Believe it or not, it's "Back To School" time! We welcome our new Superintendent, Jeff Saylor, and look forward to making him feel at home in our community. Although many changes have taken place in our District, one thing remains the same, our students! We look forward to meeting every little face from Pre-School to High School, and, as always, I'm here to remind you of a few things to be aware of as we begin the 2015-2016 school year.

Beginning next Wednesday, August 5th, our school buses will be back on the highways. Please remember to adjust your schedule accordingly! Our drivers put your child's safety as their top priority, please show them (and the big, yellow bus) the respect and courtesy they deserve. It's a difficult job to keep student behavior under control, watch traffic, pick up and deliver students
