Marching Engineers Take 1st At Barren County

The Marching Engineers traveled to Barren County this past weekend to compete in their last regular season contest of the year. Competition in class AA was

tough with two other state finals contenders, Glasgow and Casey County.

After a solid preliminary performance, the band again dominated the competi-

tion in class AA taking 1st place and best color guard. The band advanced to finals competition and turned in an even better performance than the preliminary run. In

the overall rankings after finals, the Marching Engineers placed 4th overall out of 16 bands (regardless of class) behind two AAAAA schools (North Hardin and

Bullit East), and AAA Russell County.

This week the band will travel to Bourbon County High School to compete in Regionals competition. Out

of all of the qualifying AA bands in the eastern half of the state, the band must place in the top 8 in order to advance to state level competition.

“These students were named the “Students on Track for Excellence” during the week of October 10 at West Irvine Intermediate. Students were nominated by their teachers for setting positive examples for other students by following our schools expectations!” (Photo courtesy of Sara W. Stringfield, FRC Manager, West Irvine Intermediate)
