In addition to imposing regarding both in-state and due to the TENORM mate-

Participating in the Oil Working with outside and Gas Workgroup, which is currently devoted to promulgating new regulations to cover in-state and out-ofstate TENORM issues. That Workgroup will deliver a report to the legislature in December 2016.

EEC is also seeking a monetary penalty from Blue Ridge landfill as well as a site remediation plan. The cabinets continue to investigate this issue and are working with the local residents

Judge/Executive Wallace Taylor expressed his disappointment with state officials on Monday that he has learned what is going on with the local landfill from news media. Several citizens stated they though the landfill was getting off too easy in their settlement. The Energy and Environmental Cabinet levied over \$8 million in fines on Thursday. Cabinet members say they may settle with those defendants to protect jobs. They called many of the businesses "mom and pop" operations.

Police Activity Report

- tle Doe Creek Road, Irvine Officer Cloyd. Judge Leach was charged Nov. 10 by KSP Trooper J. Allen with assault third degree, police officer; resisting arrest; disorderly conduct, 1st; menacing; failure to wear seat belts; no registration plates; no registration receipt; operating on suspended or revoked operator license; failure to surrender revoked operators license; and possessing license when privileges are revoked.

Ricky Williams said that the plastic intake was busted on both vehicles causing them to leak antifreeze but that was something that could be fixed. The bid amount that Mayor Tipton opened during the meeting was \$125 per vehicle. The council did not accept the bid.

Katie Mooers was introduced to the council as the new city clerk. Mooers replaces Jamie Hill who left the position to manage her father's business in Irvine. Mooers will be working 23 hours per week and paid by salary. She said that she has currently been working on Monday, Wednesday, and Friday from 8:30-3.
