## Maudie's Naughties

### Drinking Cure

Nadine asks Pastor Bob for some advice about Bubba coming home drunk every night. Brother Bob says, "Put a sheet over your head and when he comes home, jump out of the closet and yell, 'The devil from hell is here!' and he will never drink again."

She does exactly what Brother Bob suggests and waits in the closet for Bubba to come home. Sure enough, he comes wandering into the house, drunk as a skunk. Nadine jumps out of the closet and yells, "The devil from hell is here!"

Bubba jumps back then says, "Thank goodness, I thought I had woke up Nadine."

### A Pretzel A Day

Every day, on the way to work, a fellow stops at a pretzel stand, places \$2.00 on the counter, but doesn't take a pretzel. One day, the stand operator says, "I've got something I'd like to say to you."

"Oh, I know," the fellow says, "You want to know why I lay down \$2.00 every day and don't take a pretzel, don't you?" "No," says the vendor, "I just wanted to tell you they've gone up to \$2.50."

### What's The Difference

A girl walks up to the information desk in a hospital and asks to see the 'upturn'.

"I think you mean the intern, don't you?" asks the nurse on duty.

"Yes, I guess I do," says the girl. "I want to have a 'contamination'."

"You mean 'examination,'" corrected the nurse.

"Well, I want to go to the 'fraternity' ward, anyway."

"I'm sure," says the nurse, "that you're thinking of the 'maternity' ward."

To which the girl replies, "Upturn, intern; contamination; examination; fraternity, maternity... what's the difference? All I know is, I think I'm stagnant!!!"

### Lost In a Snow Storm

Bambi is riding with Trixie and they get lost in a snow storm. Trixie remembers what Pa had once told her, "If you ever get stuck in a snow storm, wait for a snow plow and follow it."

Pretty soon a snow plow comes by, and she starts to follow it. She follows it for about 45 minutes. Finally the driver of the snow plow gets out and asks them what they are doing.

Trixie explains that Pa has told her if she ever got stuck in the snow, to follow a plow. The driver nods and says, "Well, I'm finished with Wal-Mart's lot, you can follow me over to Lowe's to do that one."

### Overqualified

A woman applying for a job in a Florida lemon grove seems way too qualified for the job. "Look Miss," says the foreman, "Have you any actual experience in picking lemons?"

"Well . . . as a matter of fact, Yes!" she replies. "I've been divorced three times."

### The Hidden High Heel

One night a fellow drives his secretary home . . . after she had imbibed a little too much at an office reception. Although this is an innocent gesture, he decides not to mention it to his wife, who tends to get jealous easily.

The next night the man and his wife are driving to a restaurant. Suddenly he looks down and spots a high-heel shoe half hidden under the passenger seat. Not wanting to be conspicuous, he waits until his wife is looking out her window before he scoops up the shoe and tosses it out of the car.

With a sigh of relief, he pulls into the restaurant parking lot. That's when he notices his wife squirming around in her seat. "Honey," she asks, "Have you seen my other shoe?"

### Bad Examination

The doctor examines Nadine; then takes Bubba aside, and says, "I don't like the looks of your wife at all."

"Me neither, Doc," says Bubba. "But, she's a great cook and really good with the kids."

### Golfing Accident

A man and his wife are playing golf. He shanks one into the rough, and finds an old barn between him and the hole. "No problem," says his wife, "I'll open the barn doors and you can hit it through the barn." She does this, but the ball bounces off a beam, hits her in the head and kills her.

Three years later, the widower and his buddy are playing the same course, and the widower lands again in the same spot. "No problem," says his buddy, "I'll open the barn doors and you can hit it through the barn."

"Heck, no!" says the widower. "Last time I tried that, I came in five over par!"
